20. TA students please report to the office for attendance until further notice.
21. Dual Credit students please report to the library for the semester.

22. Policy information:

- 1 **Attendance:** Students (K-12) may not miss more than seven days each semester. These seven days will include both excused and unexcused absences. Loss of credit for the semester may result if a student is in violation of this policy. Students remember that the school must be notified of your absence by a parent or guardian prior to 9:00 a.m. or your absence may be considered unexcused which could carry a penalty of a one day in school suspension or Saturday School. Any student absent for any part of the day must report to the office prior to attending classes. As well, a student must also receive permission from the office to leave the building during the school day. This pertains to all students regardless of age. For those of you participating in activities, you must be in classes all day prior to an extra-curricular or co-curricular activity to participate in the activity unless you have been pre-excused by the principal. If a student is absent from school for any part of the day inclusive of arriving late, we do not expect him/her to participate or attend extra-curricular activities that night. Exceptions would be previously scheduled appointments and emergency situations.
- 2 **Tardies:** Students will earn a detention for the third and fourth cumulative tardy in a semester. A fifth tardy will result in a one-day in school suspension. If you are unfamiliar with the tardy policy, consult your student handbook.
- 3 **Parking Lot:**
 - NO warnings are given for parking violations. Please park and drive carefully.

- Students may park in the high school, administrative, or the parking lot across the street. Students are not allowed to park in the southeast staff parking lot adjacent to the art room. Remember that all parking lots are school property and subject to enforcement of school policies and regulations.
- Students shall assume full responsibility for the security and contents of their motor vehicles. Students are encouraged to keep their vehicles locked at all times.
- Students are to park in marked, designated parking spots. Students are to refrain from parking in “visitor parking” spots, Senior parking spots, “library” parking spots, “no parking” areas, fire lanes, bus loading zones, or handicap areas without an appropriate permit.
- All traffic laws shall be obeyed. Parking lot speed limit is 10 miles an hour.
- Exhibition and reckless driving are prohibited.
- Students are not to be in the parking lot or vehicles during school hours without permission.
- Students involved in a vehicular accident of any magnitude on school property must immediately report the accident to administration. Students shall not leave the accident scene without first reporting in person to administration.
- In accordance with the Gun-Free Schools Act (GFSA), students may not store any firearm, any explosive, including firecrackers, any knife, or any other dangerous object of no reasonable use to the pupil at school in their vehicles. Students bringing these objects on school grounds risk expulsion and referral to law enforcement officials.
