ACADEMIC ELIGIBILITY POLICY

ACADEMIC ELIGIBILITY POLICY

The Elk Point-Jefferson School has very high expectations of our students. We believe that it is a privilege to participate in our extra-curricular and co-curricular activities. If the student participant does not maintain a minimum level of academic standing he/she will not be able to participate in these activities.

Every participant shall have all passing grades during each four and one-half week reporting period, a passing grade consisting of a D-. If he/she does not, he/she will be ineligible to participate for at least one full week in all school activities that are considered co-curricular or extra-curricular. A week is from Monday until the following Monday when the grade is checked. If they are not passing after one week they will be ineligible for an additional week. They will only be eligible when they have a passing grade. The students are responsible for reporting a passing grade to the Activities Director in the form of a note from the teacher. If the affected students do not get their grade checked by Monday then they will become automatically ineligible for another week. The Activities Director will in turn report the status of the eligibility to the director of the activity. The students will be eligible the Monday that the grade has been reported as passing. The period of ineligibility will begin the Monday following the report of the failing grade. There are no exceptions to this policy.

The principal will be responsible for providing the Activities Director with a list of the students failing courses and notifying the students of their ineligibility. The Activities Director will provide an updated list weekly on the status of the students' eligibility that will be distributed to the teachers and directors of the activities.

At the semester break eligibility will be based on the second nine weeks grade, not the semester grade. If a student is failing a course after the second nine weeks, he/she will not be eligible until the first day of the second semester. If a student fails a course after the fourth nine weeks, the student will sit out one contest after the school year ends. This contest may be in the spring (golf or track post season) or it could carry over into the fall sports season.

Co-curricular activities include the following: **Band and *Vocal*

Academic Contests	Annual/Yearbook	Destination Imagination	Field Trips
Newspaper	Quiz Bowl	National Honor Society	
Oral Interpretation	School Play	Homecoming and Prom Royalty	

****Band and *Vocal do not fall under this policy due to the fact that students receive a transcribed grade for the courses. Eligibility for participation at events as a graded part of each course will be handled on a case by case basis at the discretion and cooperation of the band/vocal advisor, activities director, and high school principal.***

(The South Dakota High School Activities Association sets minimum requirements for all students in the state to participate in state sanctioned activities. A student must pass four courses in the prior semester or they will be ineligible for the entire semester that comes next.)

ATHLETIC TRAINING RULES

The Elk Point-Jefferson School District believes that it is important for our athletes to understand the significance of being able to compete as a representative of the Elk Point-Jefferson Huskies and refrain from any activity that is considered illegal by the criminal justice system. These activities include, but are not limited to, the use, possession of, or attempt to purchase alcohol, tobacco, nicotine and nicotine delivery devices, and all other illegal substances by a minor as well as refraining from committing crimes against a person or property. The expectation that student/athletes will refrain from the use of illegal substances and participating in illegal activities does not just apply to a season or sport, rather, student/athletes are expected to follow these training rules throughout the course of an entire school year. An entire school year, for all students, is defined as beginning with the start of practice in the fall and concluding at midnight on the day of the last school-sponsored activity of the year. Please note that there are NO times during the school year, outlined above, when using alcohol, tobacco, nicotine and nicotine delivery devices and illegal drugs or participating in illegal activities are tolerated by the Elk Point-Jefferson School District.

The activities director and principal will investigate infractions and will consider the individual, other students, parents, community members and law enforcement as acceptable sources of information. It is important to note, that due to the sensitive nature of these infractions and the seriousness of the penalties enforced, the school can only enforce penalties if at least one of the following standards is met for the final determination of guilt:

1. Admission of guilt by the student in question.
2. Admission by parent or guardian of the student in question as to their guilt.
3. Signed affidavit by an adult that witnessed the infraction.
4. Citation by a law enforcement agency.
5. Enrollment into a court approved diversion program.

Self-Report – Any student that self reports a violation will have their penalty reduced by one-half (1/2). An admission of guilt is considered a self-report if the student initiates the reporting of the incident and if the incident is reported to the Activities Director or Principal within 24 hours. A self-report would only apply if the student admits to consuming, possessing, or attempting to purchase alcohol, tobacco using or possessing a nicotine delivery device or committing crimes against a person or property. If the athlete does not admit to an infraction and it is later determined that the athlete did indeed commit one of the infractions listed above, the self report would be considered invalid and the athlete would face the full extent of the penalty.

*Note: A self-report does not exist for violations that include controlled substances and marijuana. Refer to the Suspension from Extra-curricular Activities for use or possession of a controlled substance or marijuana policy for penalties and procedure.

First Offense: If a student is found to have used, possessed or attempting to purchase tobacco, nicotine, alcoholic beverages or any other type of illegal substance or committed a crime against a person or property during the time period outlined above, the following penalties will be enforced.

	No Self-Report	With Self-Report
Football	2 varsity dates	one varsity date
Girls and Boys Basketball	4 varsity dates	two varsity dates
Cross Country	2 varsity dates	one varsity date
Wrestling	2 varsity dates	one varsity date
Volleyball	4 varsity dates	two varsity dates
Golf	2 varsity dates	one varsity date
Track	2 varsity dates	one varsity date
Cheerleading	Same as the sport	

If guilt is determined, the student will not compete in any varsity or sub-varsity contest covered during this time frame. Please note that the suspension will be applied to varsity events and sub-varsity events cannot be substituted to lessen the length of a suspension.

During the time that the athletes are serving their penalty, they are required to attend and participate in all practices. They will also be expected to travel with and attend extra-curricular activities at the discretion of the coach and activities director.

If the student-athlete uses/possesses, or attempts to purchase, an illegal substance, or commits a crime against a person or property during the school year while they are not participating in a sport, the punishment will carry-over into the next sports season or next school year if necessary. The activities director will determine the minimum penalty if the penalty cannot be served in any one sport season. Example, if caught during football season and there is only one football game remaining the student-athlete will miss two basketball games also.

The superintendent has the final say on all matters of punishment and determination of guilt. The parents of the offenders and law enforcement will be notified. The student/athlete will not letter in that sport if he/she does not finish the season in good standing.

Second Offense: The student-athlete is finished with all athletic contests for the remainder of the year. Parents and law enforcement will be notified. The student/athlete will not letter in the sport he/she is participating in at the time of the second offense.

Procedures for Suspension of Participants from an Athletic Contest:

In the event it appears there is a violation the following steps shall be taken immediately:

- 1) The student will be advised of the concern.
- 2) Allow the student to explain his/her position.
- 3) Notify the parent or guardian of the alleged violation and provide an opportunity for a parent conference with any of the following personnel present: coach/advisor, activities director, principal and student. This conference may be used to determine the action taken.
- 4) The activities director will notify all parties of the decision rendered.
- 5) Punishment will begin the date the guilty decision is rendered.
- 6) The decision may be appealed to the superintendent.

Suspension from Extra-curricular Activities for use or possession of controlled substances or marijuana: (Revised 2018)

The information listed below is a summary of the regulations outlined in the following state statutes, SDCL 13-32-9 SDCL 13-32-9.1 SDCL 13-32-9.2. Please note that it is the statutes and not the summary that will be used when implementing consequences for all violations.

Any student that has any form of court ordered consequences for possession, use or distribution of controlled drugs, substances or marijuana or ingesting, inhaling or otherwise taking into the body any substances prohibited by SDCL 22-42-15 will be subject to the following punishment under South Dakota law:

Suspension from all extracurricular activities sponsored by the SDHSAA for a period of one (1) year

For a first offense, a student can have their suspension reduced to thirty(30) days by petitioning the school board and completing an assessment with a certified and licensed addiction counselor. If the assessment indicates a higher level of care needed then that must be completed before the reduction to the suspension is applied. For a second offense, a student can petition the school board for a reduction of the one-year suspension to sixty(60) days if they complete an intensive prevention or treatment program and provide proof of completion. A third offense results in a permanent suspension from all SDHSAA extracurricular events for the remainder of their school career.

As per SDCL 13-32-9.2 – any suspension that is imposed for the above listed violation a student must miss a minimum of two (2) SDHSAA sanctioned events for a first violation and six (6) events for a second violation regardless of whether the suspension is reduced or not. This means that a student's suspension could last longer than the required number of days to meet the criteria. Students must remain an active participant on the team and complete the entire season in order for the minimum number of events requirement to apply to the given season and any attempt to bypass the rules by quitting a team could result in the suspension upheld for the entire one (1) year. Suspensions not completed within one season will carry over to the next and suspensions not completed in one school year will carry over to the next school year.

Start dates for the suspension can begin one of two ways:

1. The day following a notification by the Unified Judicial System that a student received a court ordered consequence
2. The day following a self-report by the student , with a parent or guardian present, to a school administrator – this option would speed up the penalty by starting the suspension earlier

Nothing in this policy shall relieve the school district from complying with any other state law, including the requirements set forth in SDCL § 13-32-9.

It is not a violation for a student to be in possession of a controlled drug or substance specifically prescribed for the student's own use by the student's doctor.

CO-CURRICULAR DRUG/ALCOHOL ABUSE POLICY

Co-curricular activities are those activities that are designed to give students the opportunity to experience learning situations not offered by the regular curriculum. Co-curricular activities offered by the Elk Point-Jefferson School include, but are not limited to:

Newspaper	National Honor Society	School Play
Prom	Student Council	Academic Contests
Annual/Yearbook	Quiz Bowl	Homecoming Royalty
Destination Imagination	Oral Interpretation	Prom Royalty
Show Choir	Jazz Band	All-State Band/Choir/Orchestra

Junior and senior high co-curricular activities are completely voluntary. No student is obligated to take part in school activities. Participation is not required for advancement or graduation. To prevent adverse public reaction, dissension on teams, and to promote the general welfare of teams and participants, the following rules will be imposed.

If a student is under the influence of, or in possession of tobacco, alcohol, intoxicants of any kind, nicotine or nicotine delivery devices or has committed a crime against a person or property throughout the school year, the following rules will be enforced.

Self-Report: Any student that self reports a violation will have their penalty reduced by one half (1/2). An admission of guilt is considered a self-report if the student initiates the reporting of the incident and if the incident is reported to the Activities Director or Principal within 24 hours.

*Note: A self-report does not exist for violations that include controlled substances and marijuana. Refer to the Suspension from Extra-curricular Activities for use or possession of a controlled substance or marijuana policy for penalties and procedure.

First Offense: The student will not compete or perform in any co-curricular activity for 20 school days. If a student "self-reports" the incident as defined above, the suspension from co-curricular activities will be reduced to 10 school days. Students shall be required to attend and participate in all practices. The student will not be allowed to travel with or attend co-curricular activities with the organization. Parents will be notified. Elk Point and/or Jefferson Police will be notified.

Second Offense: The student will not compete or perform in co-curricular activities for the remainder of the year. Parents will be notified. The Elk Point and/or Jefferson Police will be notified. The student will not letter in the activity he/she is participating in at the time of the second offense.

Procedures for Suspension of Participants from an Athletic Contest:

In the event it appears there is a violation the following steps shall be taken immediately:

- 1) The student will be advised of the concern.
- 2) Allow the student to explain his/her position.
- 3) Notify the parent or guardian of the alleged violation and provide an opportunity for a parent conference with any of the following personnel present: coach/advisor, activities director, principal and student. This conference may be used to determine the action taken.
- 4) The activities director will notify all parties of the decision rendered.
- 5) Punishment will begin the date the guilty decision is rendered.
- 6) The decision may be appealed to the superintendent.

ABSENCES / ATTENDANCE POLICY

When a student is absent, a phone call from a parent or guardian must be received at the school, or a written statement signed by the parent or guardian must be delivered to the principal's office before the absence occurs or immediately upon return to school.

- The school must be notified of a student's absence by the parent (or guardian). This pertains to all students regardless of age. **A student must be in classes all day prior to an extra-curricular or co-curricular activity to participate in the activity unless the student has been pre-excused by the principal. "all day to play"**
- If students are absent from school in the morning, the parent or guardian must call the principal's office between 7:30 a.m. and 9:00 a.m. The phone number is 605 356-5900. A note must be given to the principal's office when they return.
- Any student who has been absent for any part of the day is asked to report to the principal's office when he/she returns to school to acquire an admit slip.
- A student who has been in school any part of the day but plans to be absent from school later, must bring written permission, be accompanied by parent or guardian, or telephone call, followed by an excuse slip. The student must sign out at the principal's office before leaving.
- If a student has become ill, he/she must get permission from the principal's office to go home. Parents will be contacted and students must sign out before they are allowed to leave.
- Pre-excused absences are permitted for certain occasions, such as out-of-town appointments. To obtain such an excuse, the student must bring written permission from parents in advance of the planned absence.

In the case of **pre-arranged/pre-excused absence** (vacation, advanced notice medical appointments, school activities, etc.), the parent and/or student shall report the anticipated absence to the office and to each of his/her teachers. As according to the direction of his/her teachers, the student shall complete the work prior to the absence or make arrangements with his/her teachers to complete the work upon return. The student shall initiate contact with his/her teachers prior to the absence making arrangements for the work to be completed in a timely manner. If a student fails to contact his/her teachers prior to the date of the pre-arranged/pre-excused absence to make arrangements for work completion for said absence, the student may be docked credit for the work in question by his/her teachers as according to their classroom procedures for late work inclusive of quizzes, tests, projects, etc.
