# Grade News

On registration day, September 1, twenty-three pupils enrolled in grades. The students were as follows: George Hacker, Shirley Bobzin, Louise Bruneau, Peter Dahm, Stanley Wilke, Donald Chicoine, Shirley Allen, Gary Winters, Harry Beacom, Nicholas Pomerico, Joann Hummel, Nancy Winters, Larry Allen, Mary Simons, Carl Kittler, Charlene Allen, Dennis King, Gary Tiernan, Marvin Britton, Charles Britton, Thomas Burns, Barbara Martin and Bobby Lesline. During October, Martha and Carolyn Tilson enrolled and on December first, Loretta and Gerald Lute enrolled. Dennis King, the Britton Boys, Shirley Bobzin and Barbara Martin moved away before the second semester.

We especially stressed safety rules and practice during the first semester. We adopted the motto "It is Smart to be Safe." Posters were made stressing this subject and written work in grammar completed the unit. During the first two weeks of school pupils of the first and second grades were taken across the railroad tracks and highway on their way home from school. Ordinary and special dangers were drawn to their attention each day.

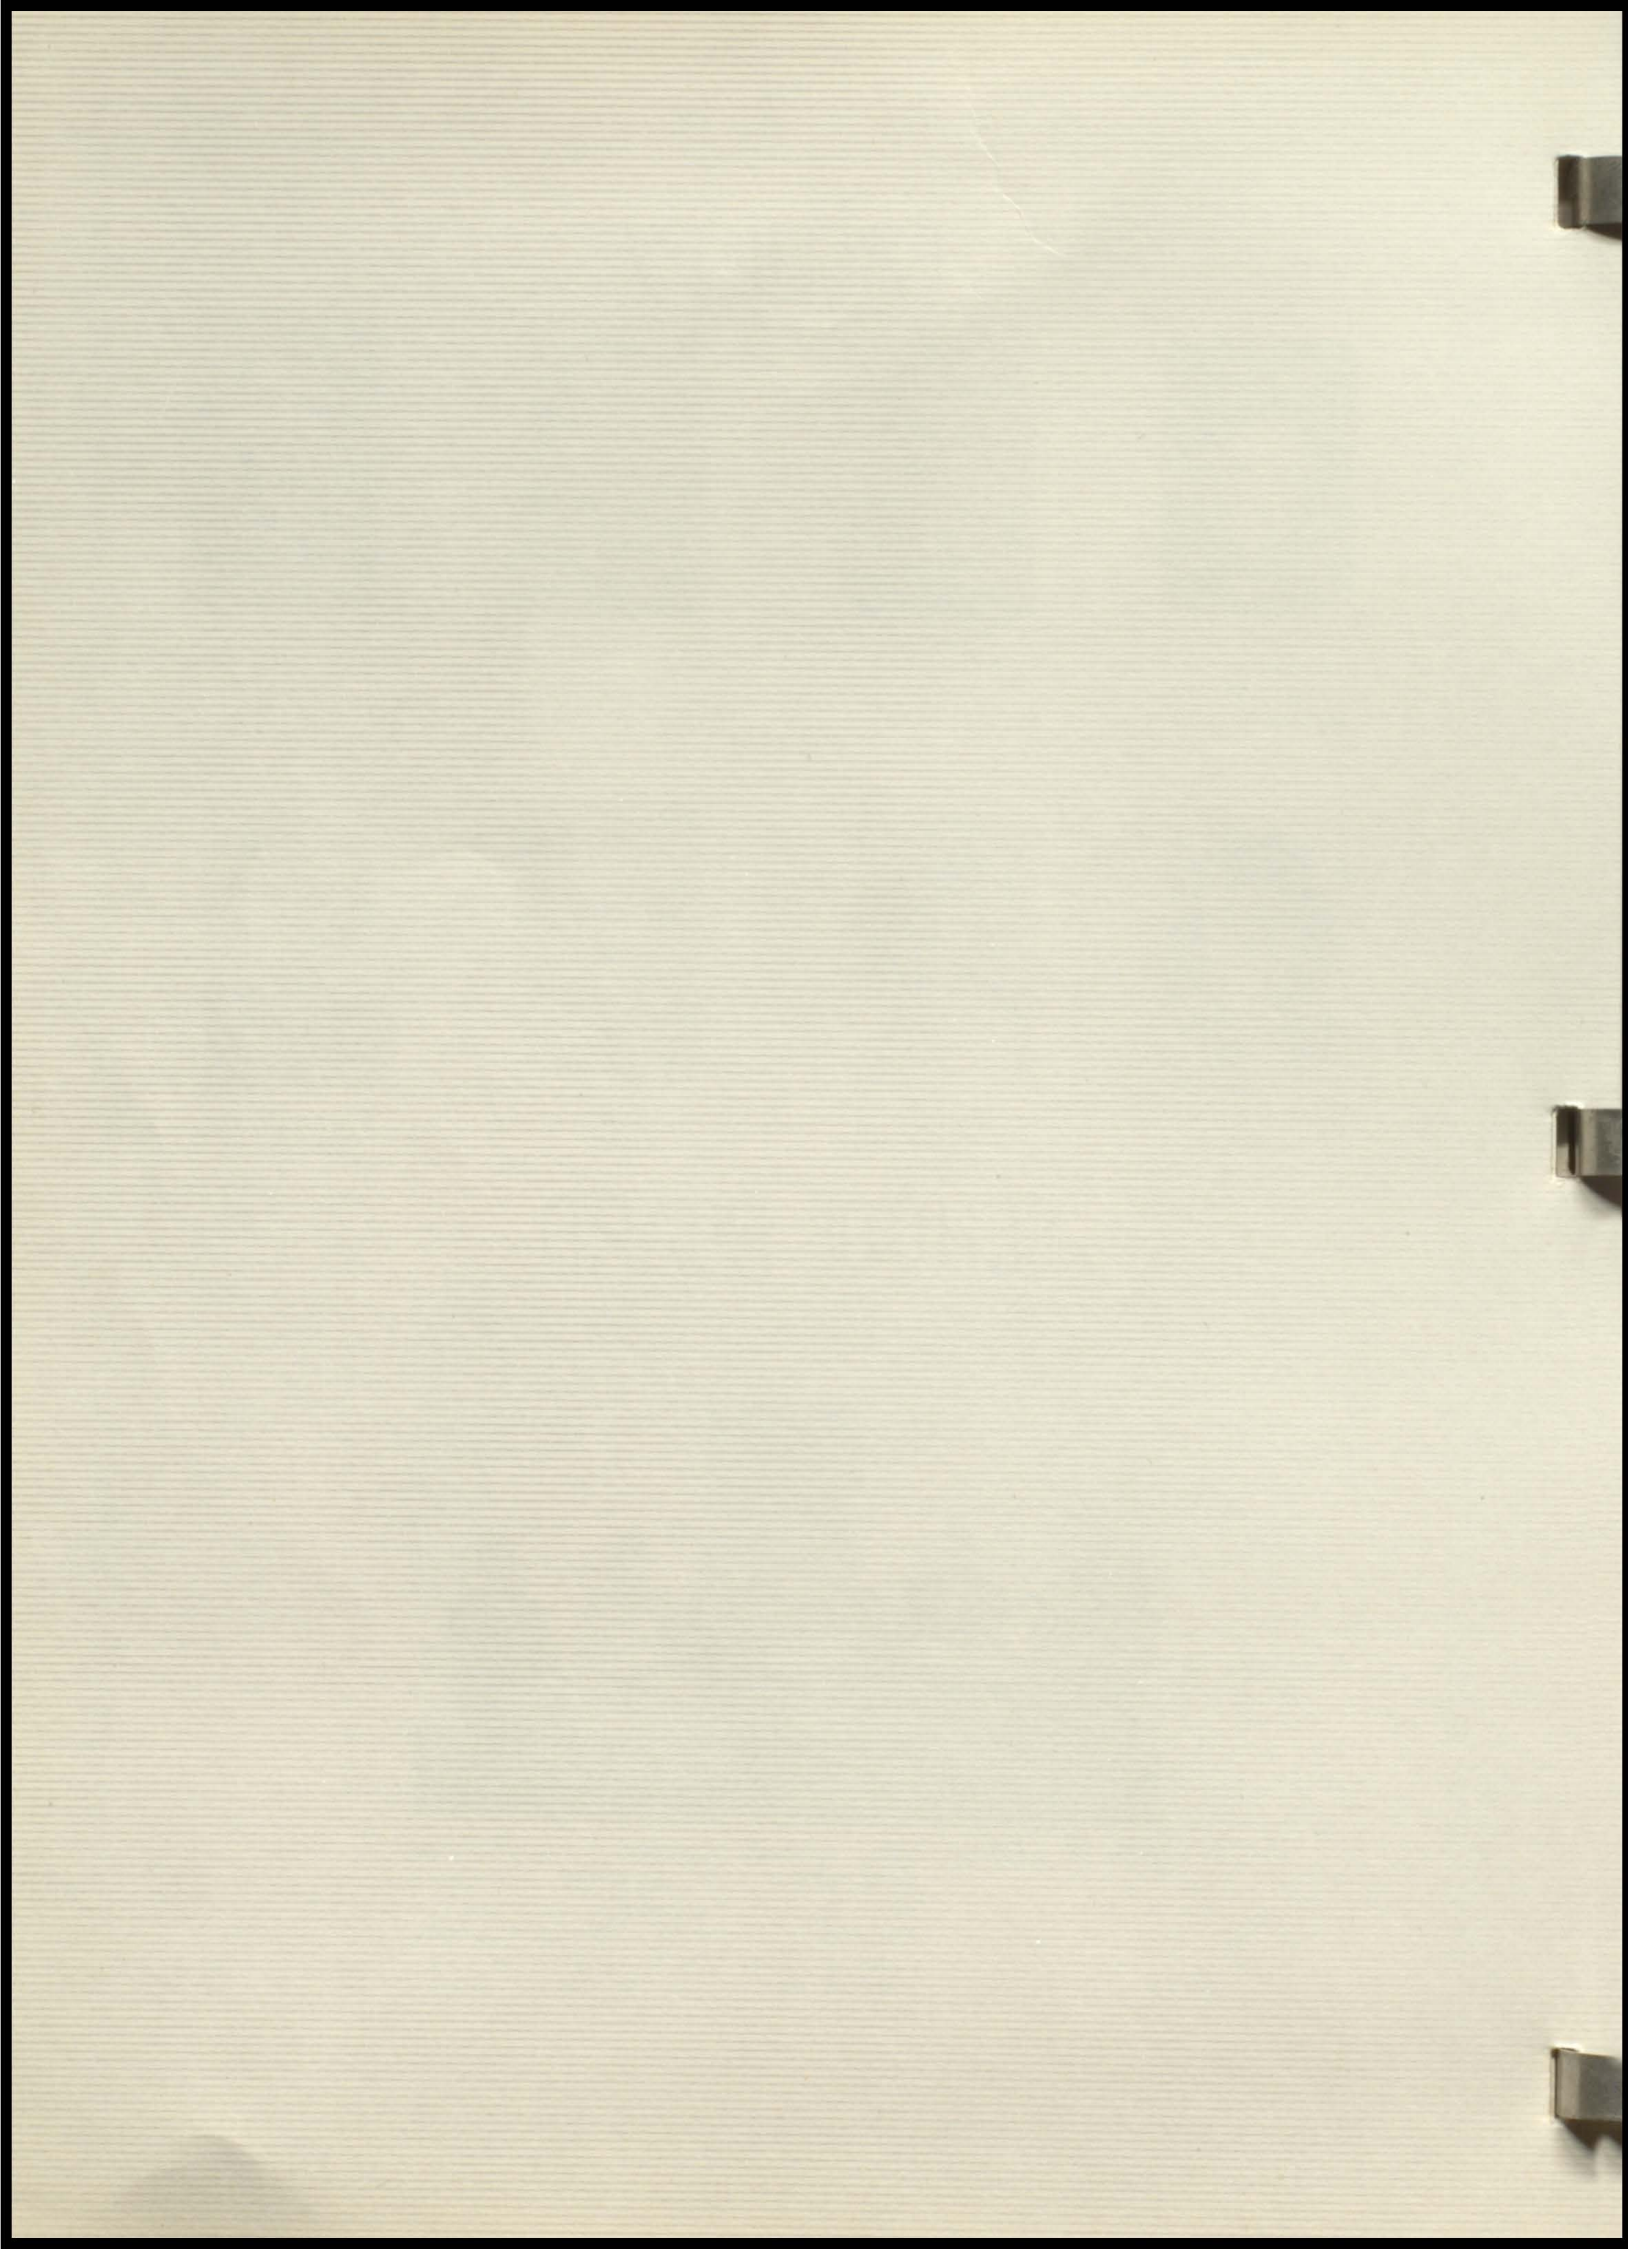

The average daily attendance for this year was 92%. George Hacker, Nancy Winters, and Stanley Wilke, have perfect attendance records. Don Chicoine and Gary Winters were absent one day during both semesters.

The following boys and girls who were on the honor roll during the year: Harry Beacom, Shirley Allen, Nicholas Pomerico, Joann Hummel, George Hacker, Martha Tilson, Gary Tiernan, Thomas Burns and Loretta Lute.

Our special project for the upper grades during the second semester was painting with poster and textile paints. Donald Chicoine and Stanley Wilke did outstanding work in this project. Colors were mixed and combined on original designs. The textiles were used on cloth and some very nice work was completed.

At the annual fall carvival, our room had a country store, a pop corn booth and a fish pond. The material for our painting project was purchased with our share of the profits.

Fifteen pupils have written the required drills in an effort to obtain penmanship awards. These were sent to the Palmer Method Company. We have no returns from the company at this time.

# Home Echoes

This year thirty girls were in the home economics department, under the supervision of Miss Morris.

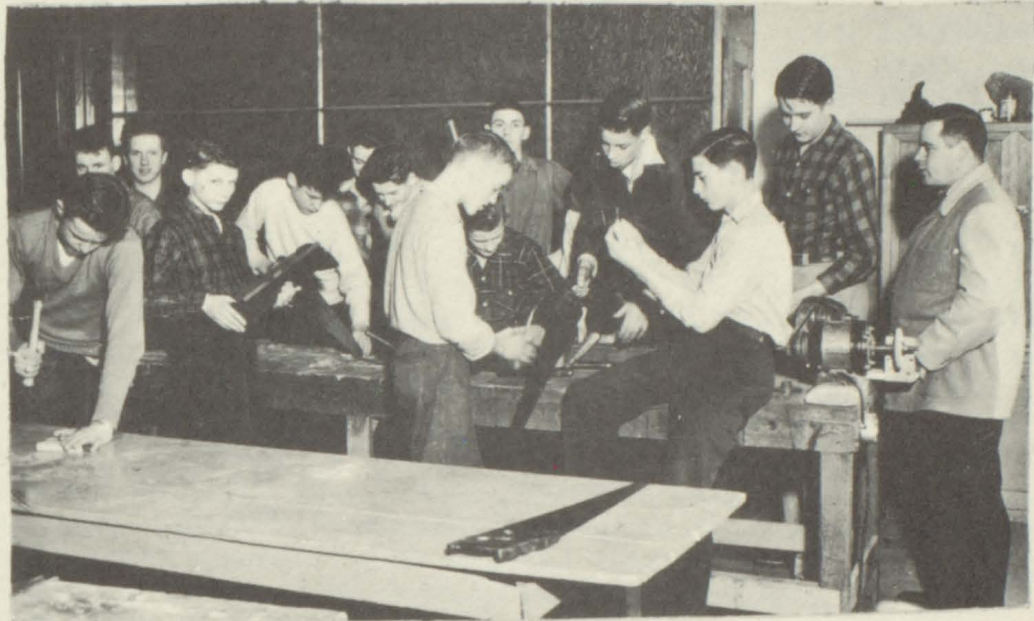

The Homemaking I Class, consisted of thirteen students. They spent their first week in getting acquainted with each other and cleaning up the homemaking room. In the canning unit they used the Kerr Home Canning booklet, and for laboratory work they canned tomatoes, tomato juice, and peaches. The breakfast unit consisted of the characteristics of dishes, table service, preparations of toast, beverage, and eating the right foods as body regulators. A century social conduct test was given analyzing personal characteristics. Dishtowels were hemmed and embroidered. A sample booklet was made containing the weaves with various colors and constructions of textiles. Other subjects that were studied were personal grooming, and personality types. Simple garment construction consisted of a blouse, pajamas, or aprons.

The Homemaking II class consisted of ten students. The first weeks were spent in studying the Kerr's Home Canning booklet, after which they canned tomatoes, tomato juice, and peaches. Table setting and making out tea menus were practiced along with attractive flower arrangements. The breakfast unit was reviewed, and then they studied characteristics of the luncheon unit. This included eating of the right foods, such as food groups and body regulators. Booklets were made on silver, glassware and china. The home nursing unit included general care of the sick, food for the sick, what a good medicine chest should contain, first aid, disease and control and occupation for the sick. Textile study consisted of weaves, reports on individual fibers, and advanced clothing project such as a dress or slacks were undertaken. In the dinner unit, the characteristics of food and dishes were stressed. Handicraft work was also done.

The Homemaking III class consisted of seven juniors. They reviewed canning methods and their laboratory work consisted of canning tomatoes, tomato juice, and pineapple and peach jam. They constructed booklets to illustrate materials in home furnishing and had handicraft work which was the knitting of neck scarfs. A unit in child care consisted of diseases, play, clothing, food, habits and behavior, story telling, and a party was given for the children. In home nursing the general care of the sick, medicine chest, disease and control, and occupation for the sick were stressed. The juniors big event of the year was the planning and giving of a mother's tea at Christmas time, for this and exhibit of canned goods and booklets was displayed.

## Shop

This year an Industrial-Arts Course was offered to the freshmen and sophomores as well as to the boys of the upper classes. There were about thirty-three students enrolled for this subject. This large number was divided into four divisions. Each division was given one class period a day and they worked in their spare time.

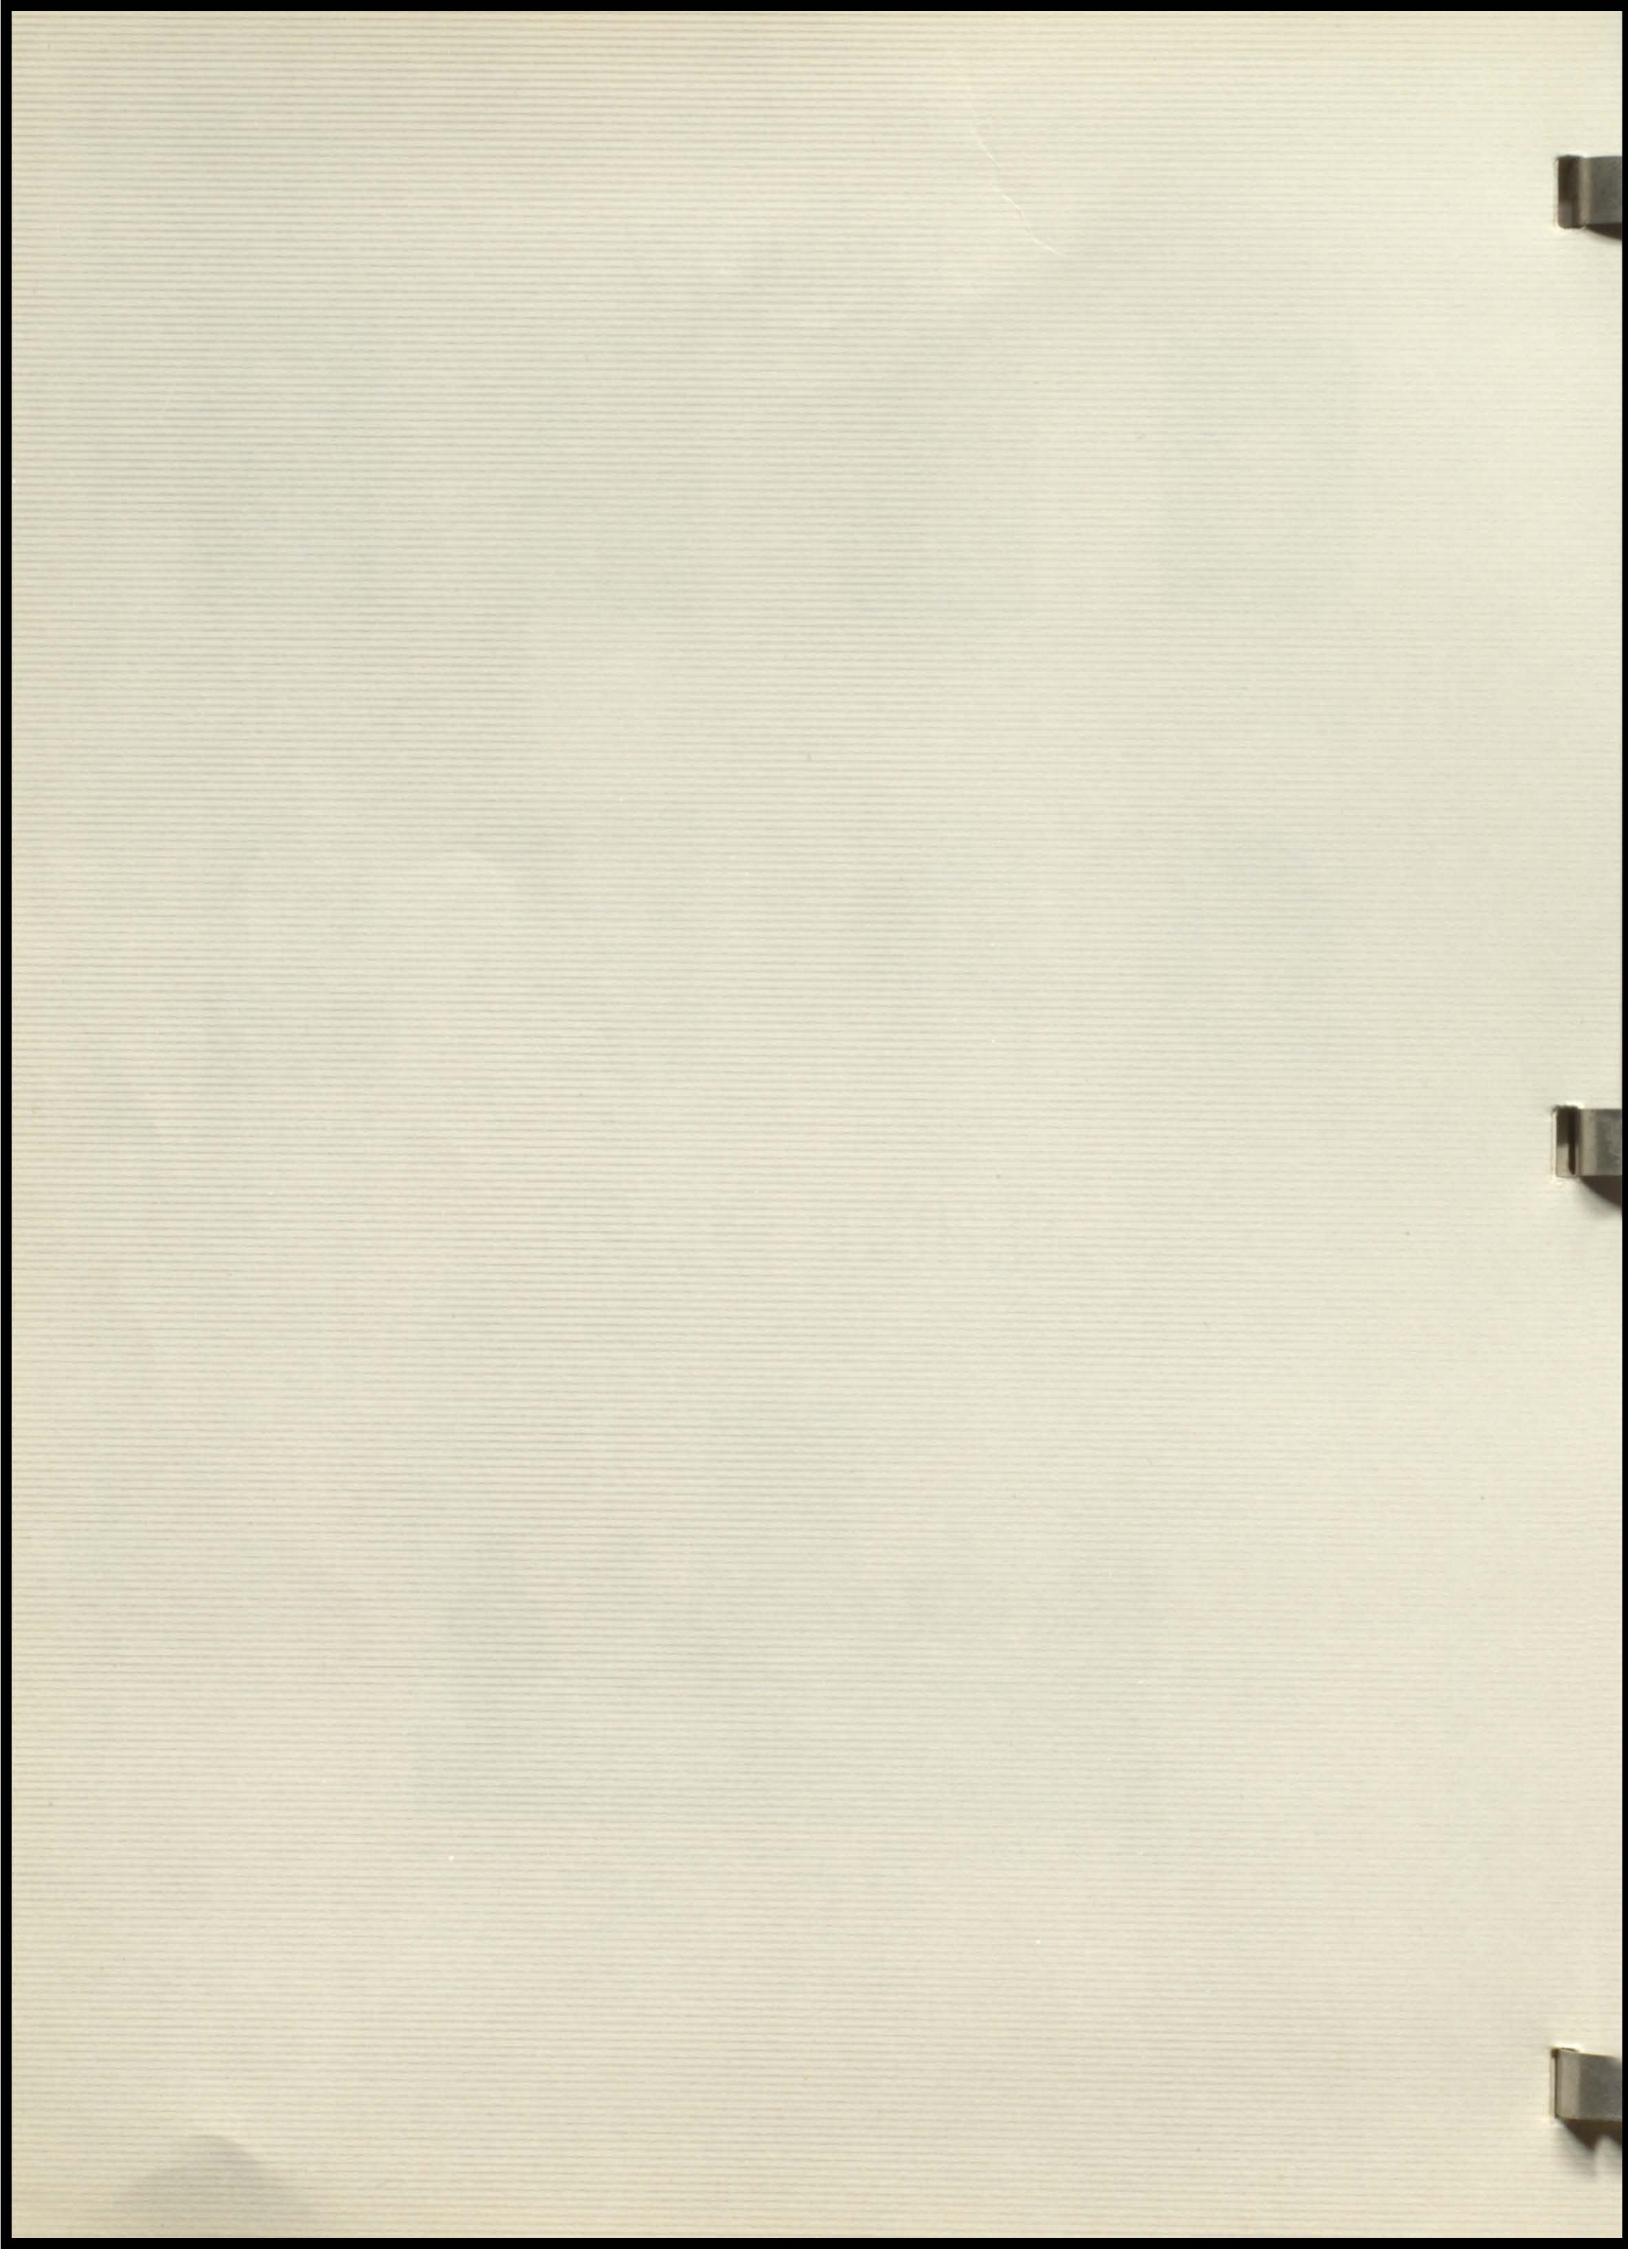

The first semester a unit workbook was given to all the boys. The book, "Hand Woodworking" by Douglas-Roberts, gave the boys some helpful information on the classification of wood, its uses, the refinishing of wood and the correct usage of tools. The boys proved to be very skillful and turned out various projects such as, book ends, flower pots, mint and nut bowls with hammer, serving trays, endtable, coffee tables, powder boxes, a cedar chest, a boat, a water scooter, a table lamp, table leaf and a toboggan. The second semester was devoted to project making, with a lot of outside work that helped a good deal around the school. Some of the boys painted the gym floor. Others helped build and put up new scenery for the dramatic department. Other students were busy doing odd jobs for some of the instructors.

Many new tools were purchased for shop which were appreciated very much by the boys. Some of the equipment they had to work with this year is listed as follows: Rip saw, crosscut coping key hole saw, ball pien hammers, claw hammers, wood chisels, lyth chisels, framing squares, try squares, wood planes, brace and bit nail sets, three screw drivers, and press drills.

Woods such as; walnut, bean wood, cedar, pine, oak, fur and hackberry helped to turn out some very successful projects.

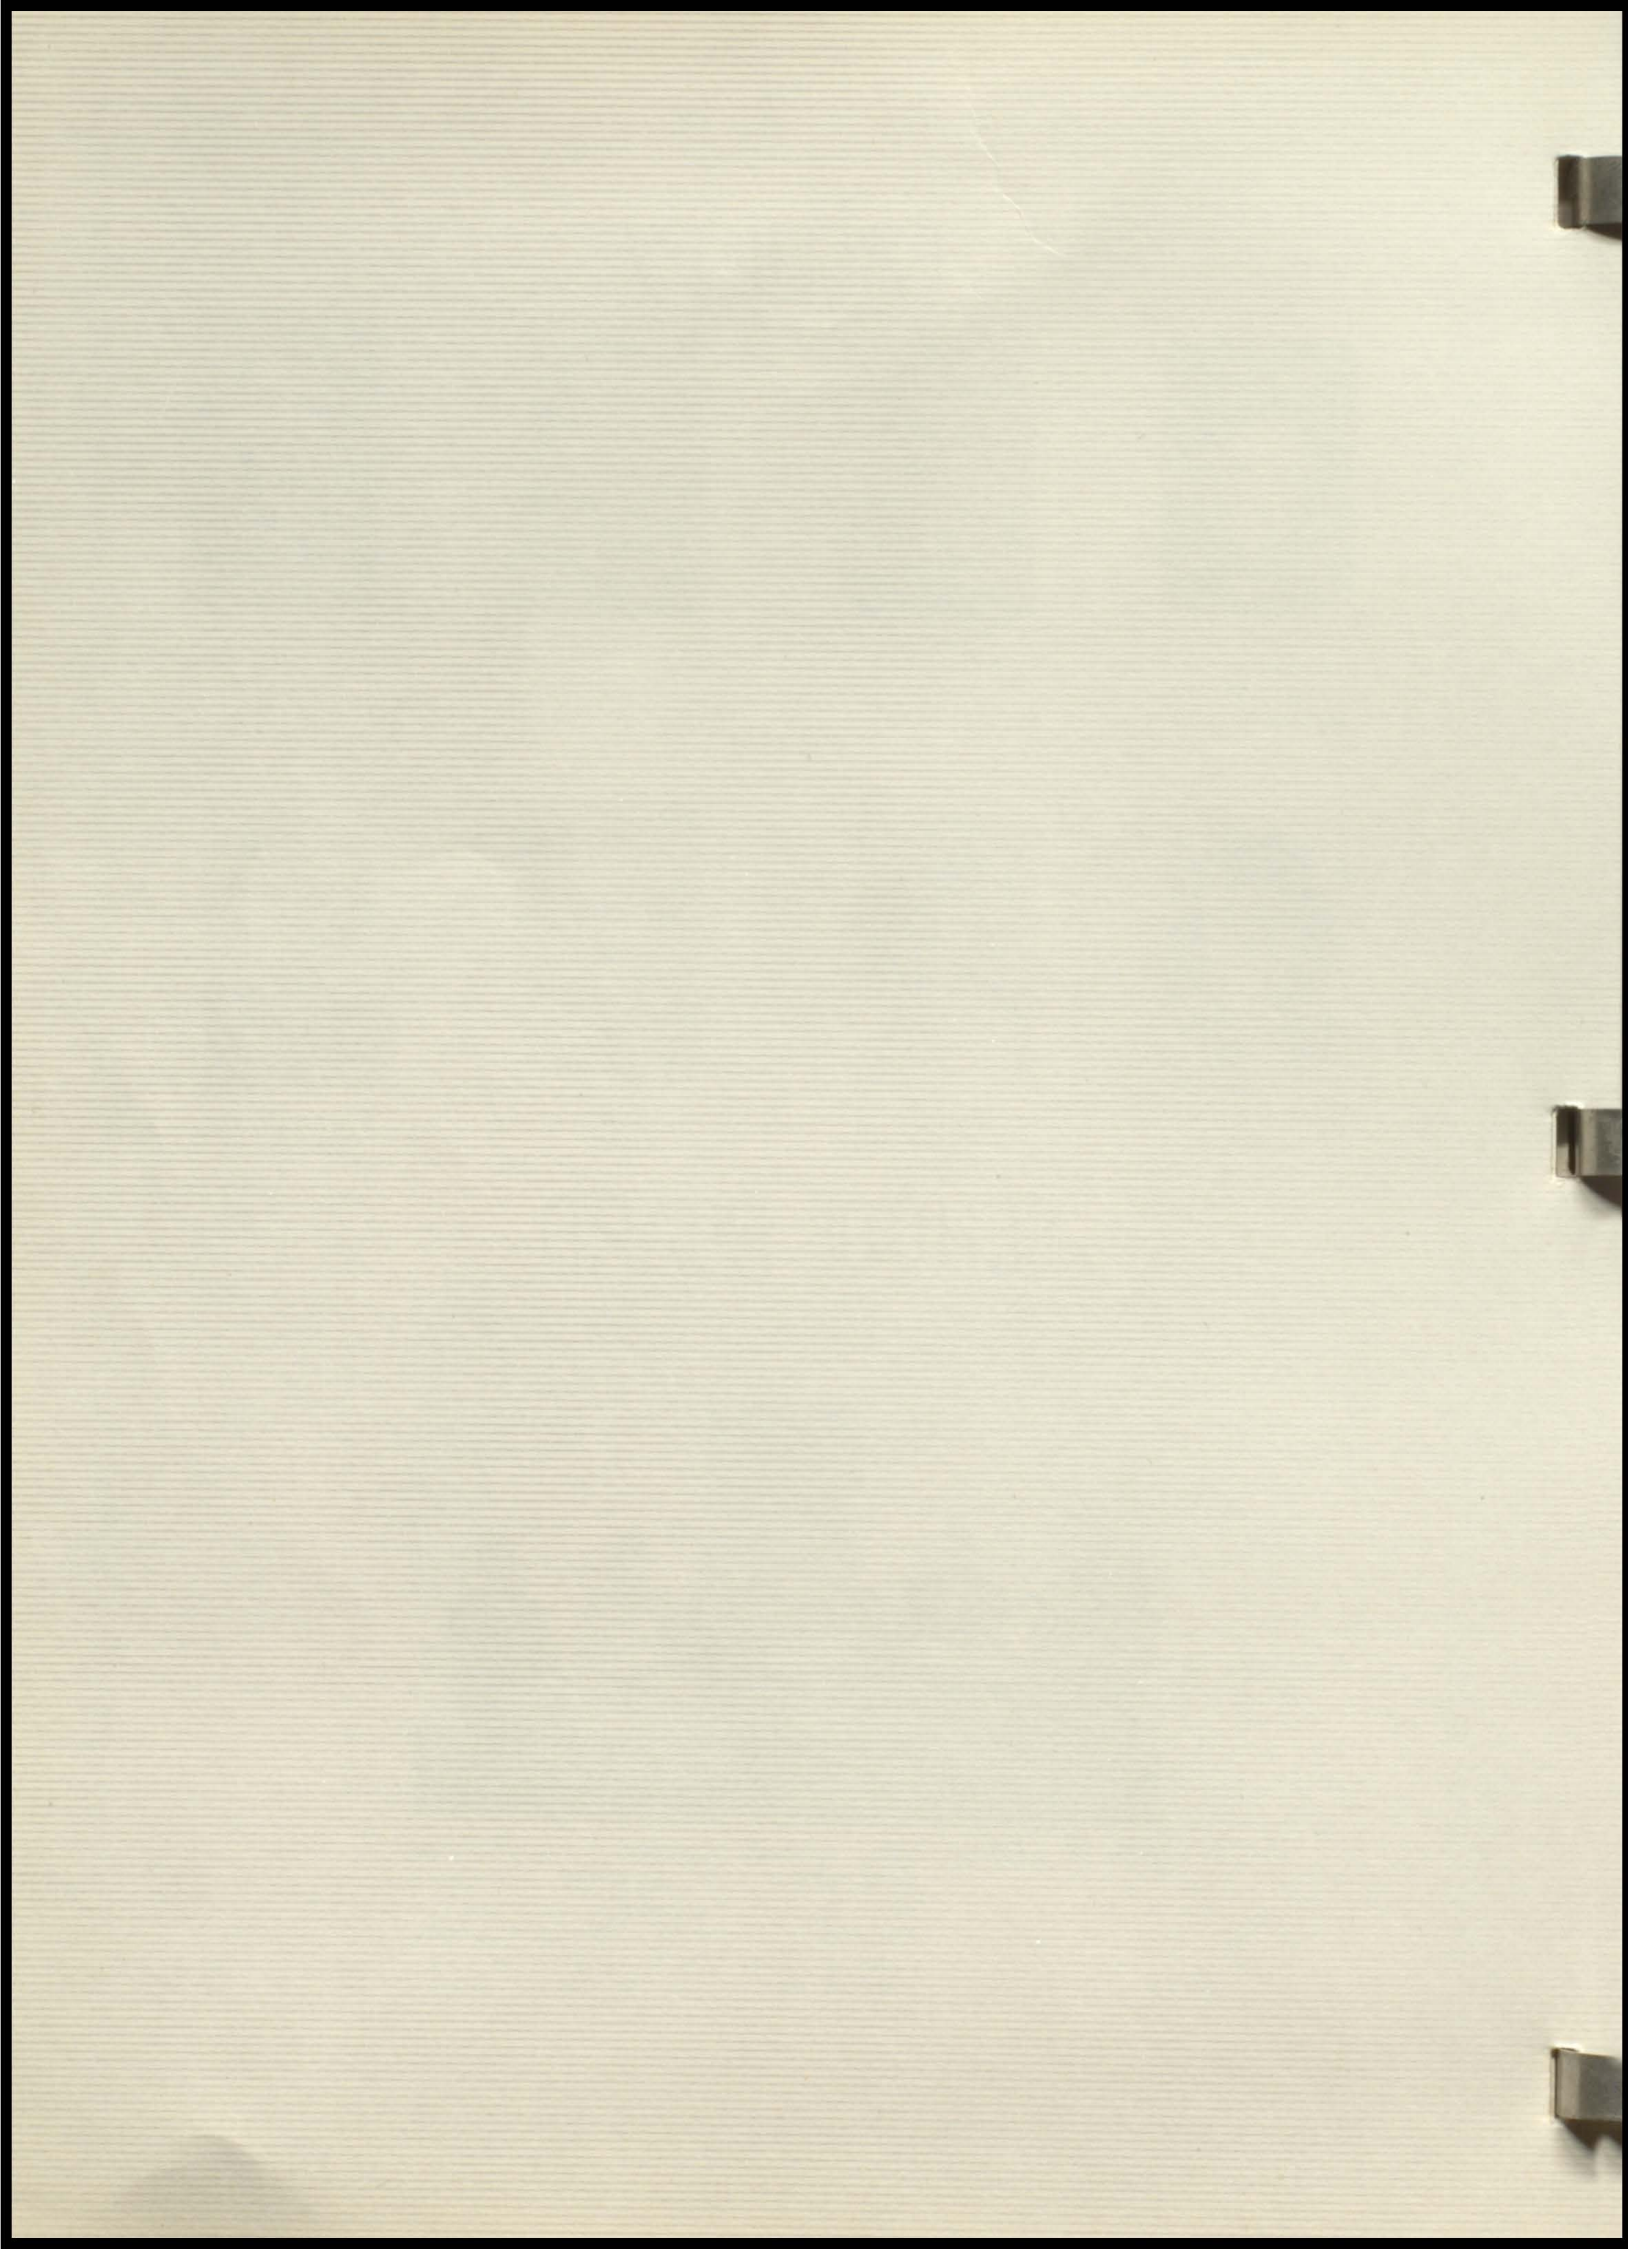

Some of the finishing products that turned out the most successful are as follows: Light Mahogany, Dark Mahogany, Light Walnut Dark Walnut, Light Oak, Dark Oak, Shellac, Natural Varnish and enamel paints. Various grades of sand paper were used to smooth the woodwork down for the finishing materials. For highschool level, some very difficult and outstanding work was done.

The students at Jefferson High School were very lucky to have Mr. Charles House, the shop instructor, for the year 1947-48. He has had much back ground and practical experience in this line of work. Mr. House received his training at Southern State Teachers College at Springfield, South Dakota, with a major in industrial Arts and minor in Math and English. He received a great deal of experience from his father who has a cabinet shop. Mr. House has not made definite plans for the future yet, though he may continue teaching and later branch into electricity which seems to be great interest to him.

# Vocal Music

The vocal music this year included a glee club, small groups and soloists selected from the many girls that tried out at the beginning of the school year. The glee club was composed of twenty-five girls. After several weeks of working on breathing exercises and vocalizing, they made their first public appearance between the acts of the junior class play. The two numbers sung by the glee club were "Were You There", (acapella) Author unknown, and "America the Beautiful" with a soprano obligato. A trio, made up of Cleo Barkley, first soprano; Lois Landers, second soprano; and Doris Bergstrom, alto, sang "Oh, Dear, What Can the Matter Be", and "Pic-a-Nic-in".

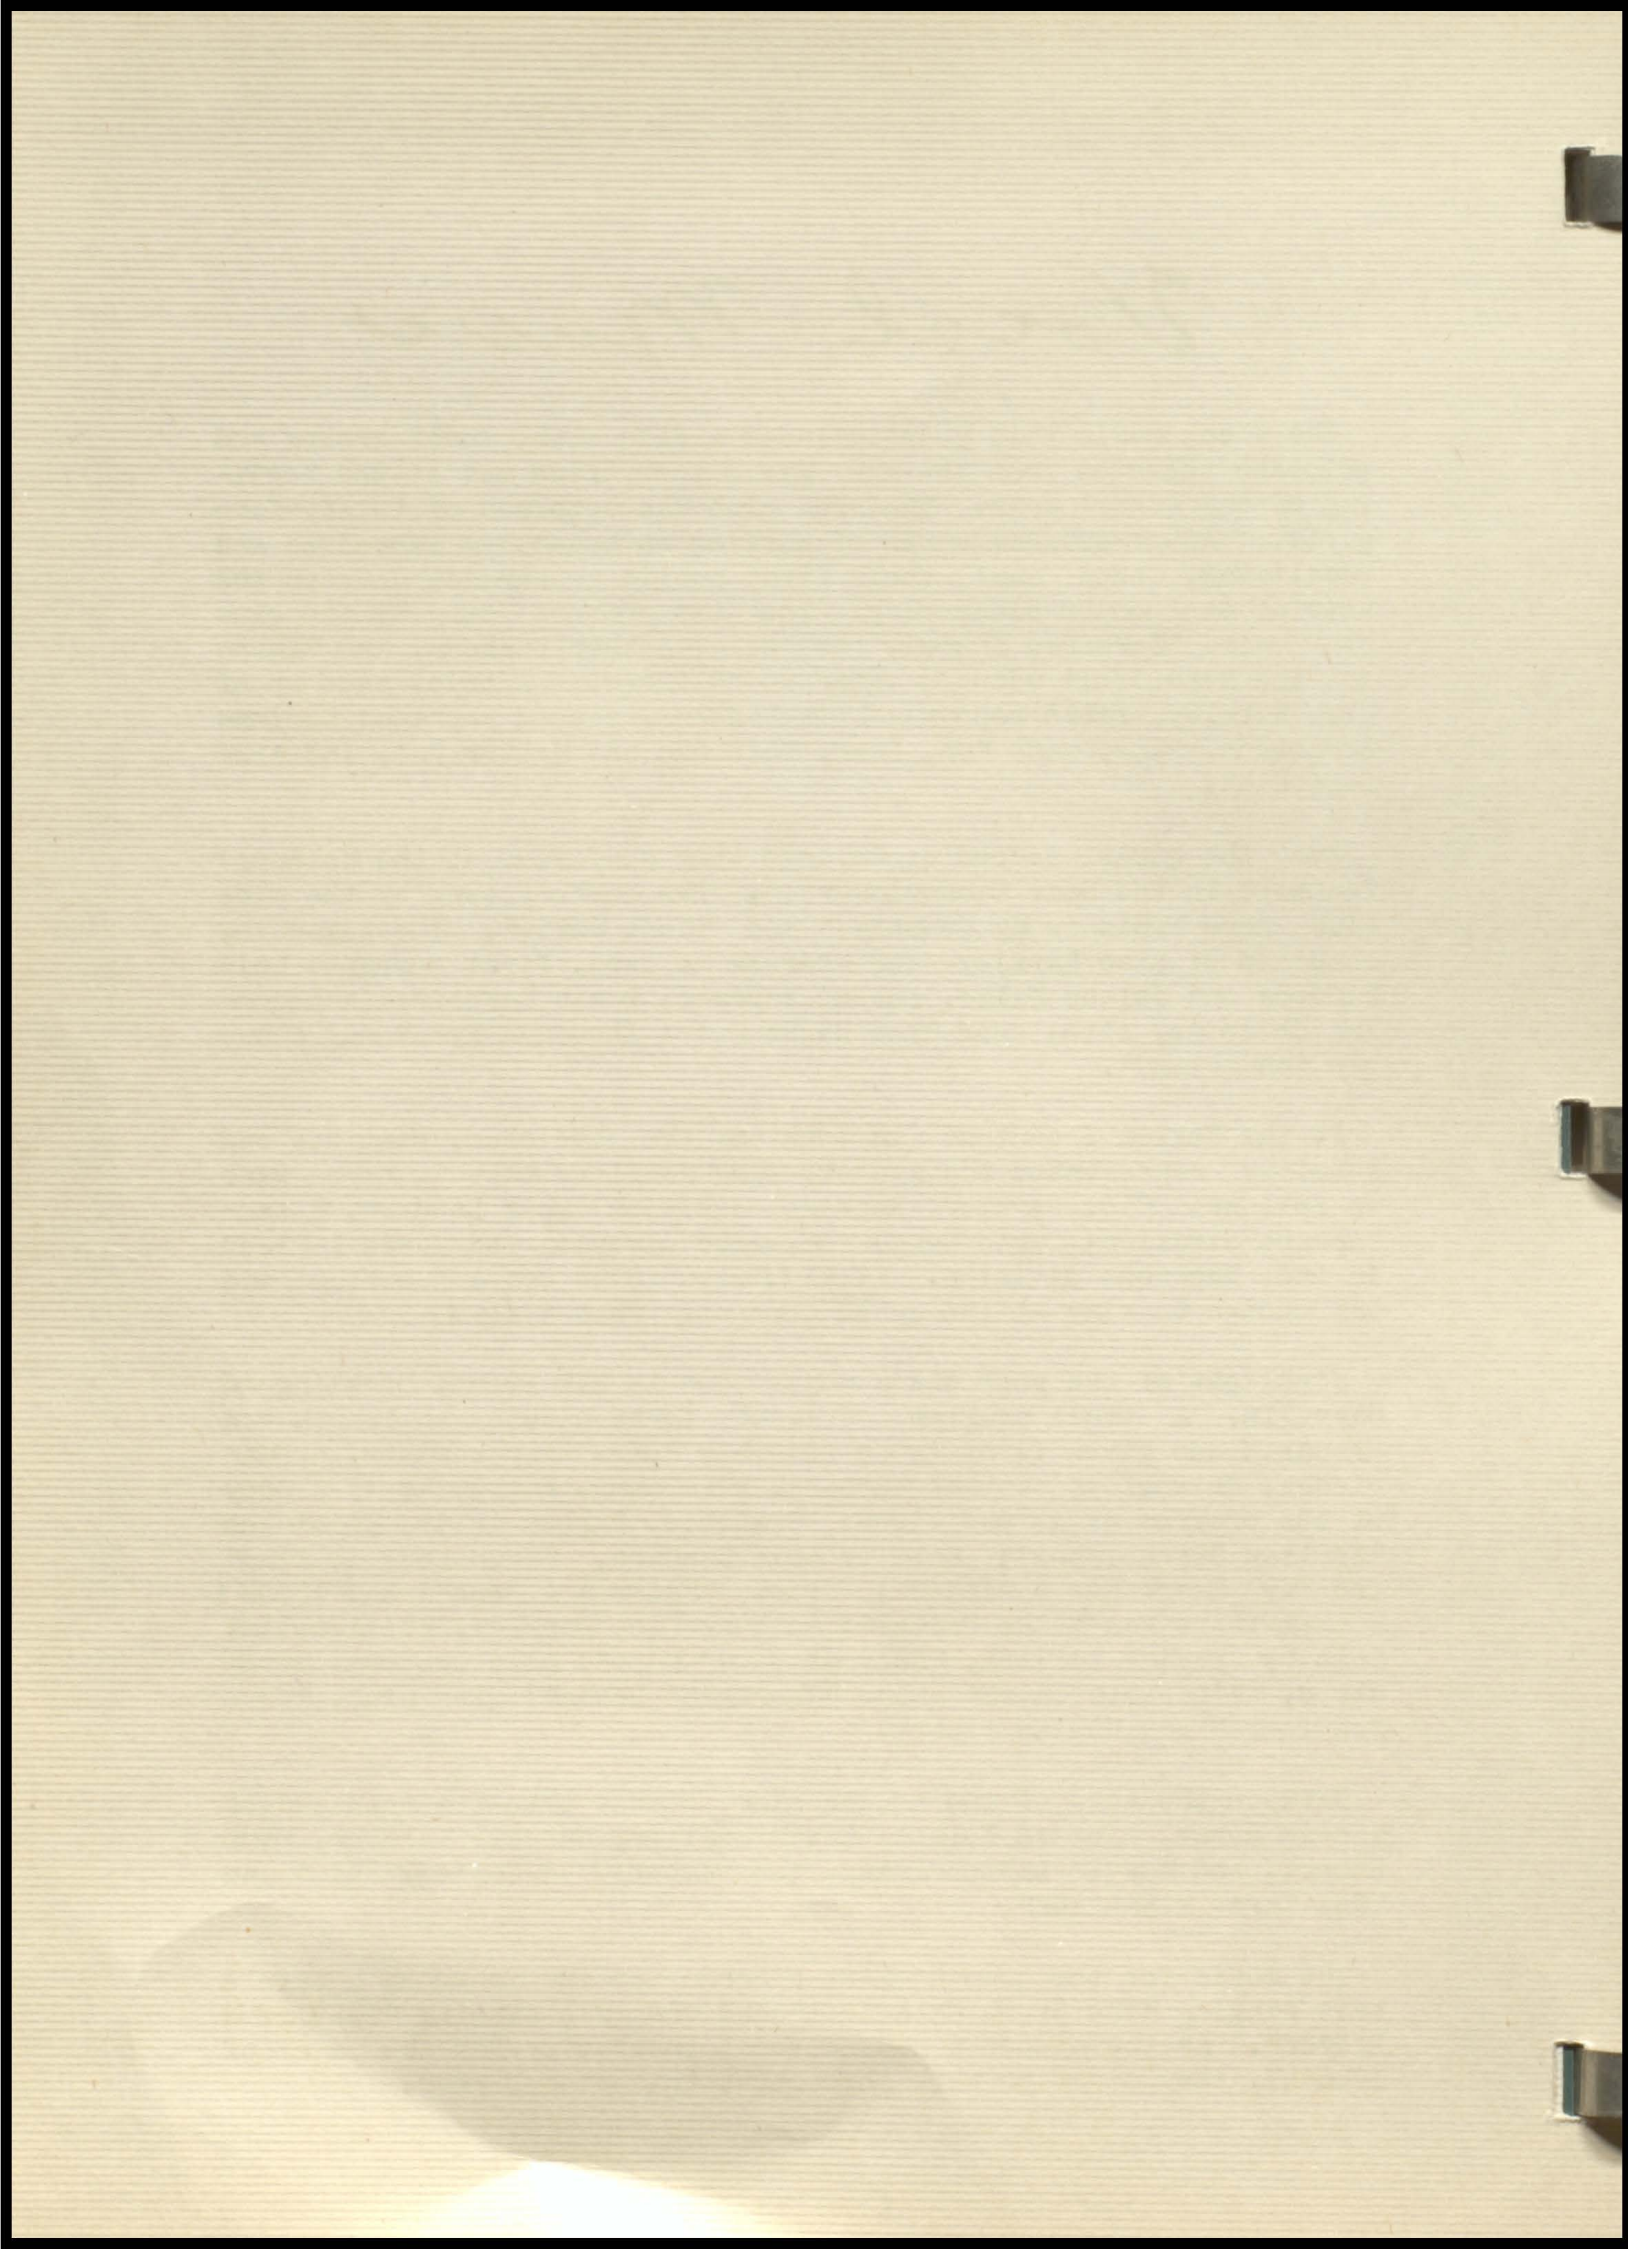

For the girls second appearance they performed at the Mothers' Tea held in the Home Economics room. The numbers sung by the glee club were "This is My Country," and "Rose Marie". The sextette, composed of Cleo Barkley and Theresa Allard, first soprano; Lois Landers and Jolene Wilke, second soprano; Doris Bergstrom and Florine Chicoine, alto; sang "The Night Has a Thousand Eyes" and "Winter Wonderland".

At the Region I contest in Yankton, the glee club, sextette and soloists represented the school. The soloists that entered were as follows: Cleo Barkley, Soprano division; Lois Landers, Mezzo-Soprano division; Doris Bergstrom, Alto division and David LaFleur in the Baritone division. EXTRA!! Glee Club won a superior and was chosen to sing at the grand concert. What a day!!

Highlight of the year was a music tour to Elk Point, Meckling and Gayville. A vocal program of about forty minutes in length was prepared and given first in an assembly here. For variety, popular pieces, as well as contest numbers, were sung. Following is a copy of the program as it was given: Sextette, "Robin in the Rain" and "Italian Street Song"; Solo by Lois Landers, "When Love is Kind" and "My Heart Has a Window"; Trio, "Without A Song" and "OOOH! Look-A-There Ain't She Pretty"; Solo by Cleo Barkley, "Villanelle"; Solo by David LaFleur, "Shipmates O' Mine"; Solo by Doris Bergstrom, "The Lost Chord" and "Shortnin' Bread"; Glee Club, "Were You There" and "Peter Piper".

Between the acts of the senior play, a male sextette composed of Martin Burke, Richard Folsom, David LaFleur, Russell LaFleur, Edwin Hebert, and Marvin LaFleur sang two numbers, "A Capital Ship" and "The Three Fishermen".

The music for the commencement program was furnished by a triple trio singing "The Green Cathedral" and the trio singing "The Lord's Prayer". As the students had no vocal instructor for the year of 1946-47, they did fine work throughout this school year.

#### BAND

Front Row: Delores Malloy, Freeman Quinn, Teresa LaCroix, LaNease Higgins, Armand Choquette, Charlene Chicoine, Theresa Allard.

Second Row: Lois Landers, Donna Allard, Donna Malloy, Lois Budde, Lou Ann Browning, Marlene LaCroix, Sigrid Anderson, Cleo Barkley, Mr. Disch.

#### MR. DISCH

Mr. Disch has been in charge of the instrumental music at Jefferson for the past six years. During this time, the different instrumental groups have performed at many events and were well received by everyone. When asked for his prospects for next year Mr. Disch said, "Hope to continue on with the band and with a good bunch of workers we should improve".

The band members would like to take this opportunity to express publicly their appreciation to Mr. Disch for all the patience and time he has spent with us.

# Band

This year the Band consisted of fifteen members of which six members are freshmen. They are as follows: Delores Malloy, Solo Clarinet; Freeman Quinn, 2nd Clarinet; Teresa LaCroix, 3rd Clarinet; LaNease Higgins, 3rd Cornet; Armand Choquette, 2nd Cornet; Charlene Chiccone, 2nd Cornet; Theresa Allard, Solo Cornet; Lois Landers, Baritone; Donna Allard, 2nd Mello-phone; Donna Malloy, Bass Drum; Lois Budde, Bass; Lou Ann Browning, 2nd Trombone; Marlene LaCroix, 1st Trombone; Sigrid Anderson, Bass Drum; Cleo Barkley, Snare Drum.

The Band has made several public appearances, these are some of the selections; "Prospero March" by Southwell, "Imperial" by King, "Hello March," "Yea Team," "Time Out," "Bells on Parade," "Old McDonald," "Chaser March," "Hoe Down," by Yoder; "Gallant Marines," "Liberty Fleet," "United Nations," "Thumbs Up," "Bombardier," by King.

One of the most interesting pieces played this year was the "Circus Parade" by Yoder in which the instruments portrayed the different events in a circus.

Some of the Band members had a new experience this year. At the District Basketball Tournament each school was allowed to send five members from their band and from this a large band was organized to play for all the sessions. Those representing Jefferson were: Lois Budde, Mello-phone; Lois Landers, Baritone; Cleo Barkley, Snare Drum; Delores Malloy, Solo Clarinet; Freeman Quinn, 2nd Clarinet.

The Band did not enter the contest at Yarkton this year because of the lack of instrumentation and experience. However, Lois Landers did compet in the annual affair with a Baritone Solo.

One band concert consisting of the two bands of Walthill and Jefferson was held here and then the members of the Jefferson band journeyed to Walthill to participate in a combined concert there. (Mr. Disch is in charge of the Walthill band, also) This program included small groups and soloists as well as the large group.

This performance showed the fine progress the band has made during this year. There is a fine opportunity for anyone who would like to play a musical instrument in band. Anyone with any piano experience is eligible to try out for an instrument in the band. Mr. Disch is here two day's a week and during this time gives private lessons as well as the combined rehearsal. School instruments are available for the students.

CORONATION OF THE KING AND QUEEN

THE WINNERS!

HAVING FUN?

# Carnival

The annual carnival of Jefferson High School was held in the school gymnasium on October 17, 1947. School time was taken to decorate and set up the concessions. By the time the "Big" night arrived all the booths were elaborately decorated with crepe paper of many assorted colors. Light blue and pink, black and orange, blue and white, red and white, green and yellow, orchid and yellow, and pink and green, were some of the color combinations used.

Candidates for King and Queen were chosen by each class and then each bought a prize on which to sell chances. The freshmen class sold chances on a camera, the sophomore class on a pressure cooker, the junior class on a coffee maker and the senior class on a coffee table. On the night of the carnival each class had set up their Queen Booths where they proceeded to sell tickets. In the end when all was totalled up, the freshmen were out in front to have Jo Ann Hatten and Ronnie Thacker crowned Carnival King and Queen. The attendants were as follows: for the senior class, Florine Chicoine and Kenney Montagne; the junior class, Russ LaFleur and Charlene Chicoine; the sophomore class, Jerry LaFleur and Roma Kleber.

After the Coronation by Mr. Michaelson, the carnival went into full swing with some lucky people winning some very nice prizes. The bingo stand with its many prizes was a big attraction for everyone. The loud speaker was used to call out the numbers.

When the prizes were all gone, what was left of the stands was carried off and the floor was swept. The record machine was then put in order and a dance added finishing touches on an evening that was fun for everyone concerned.

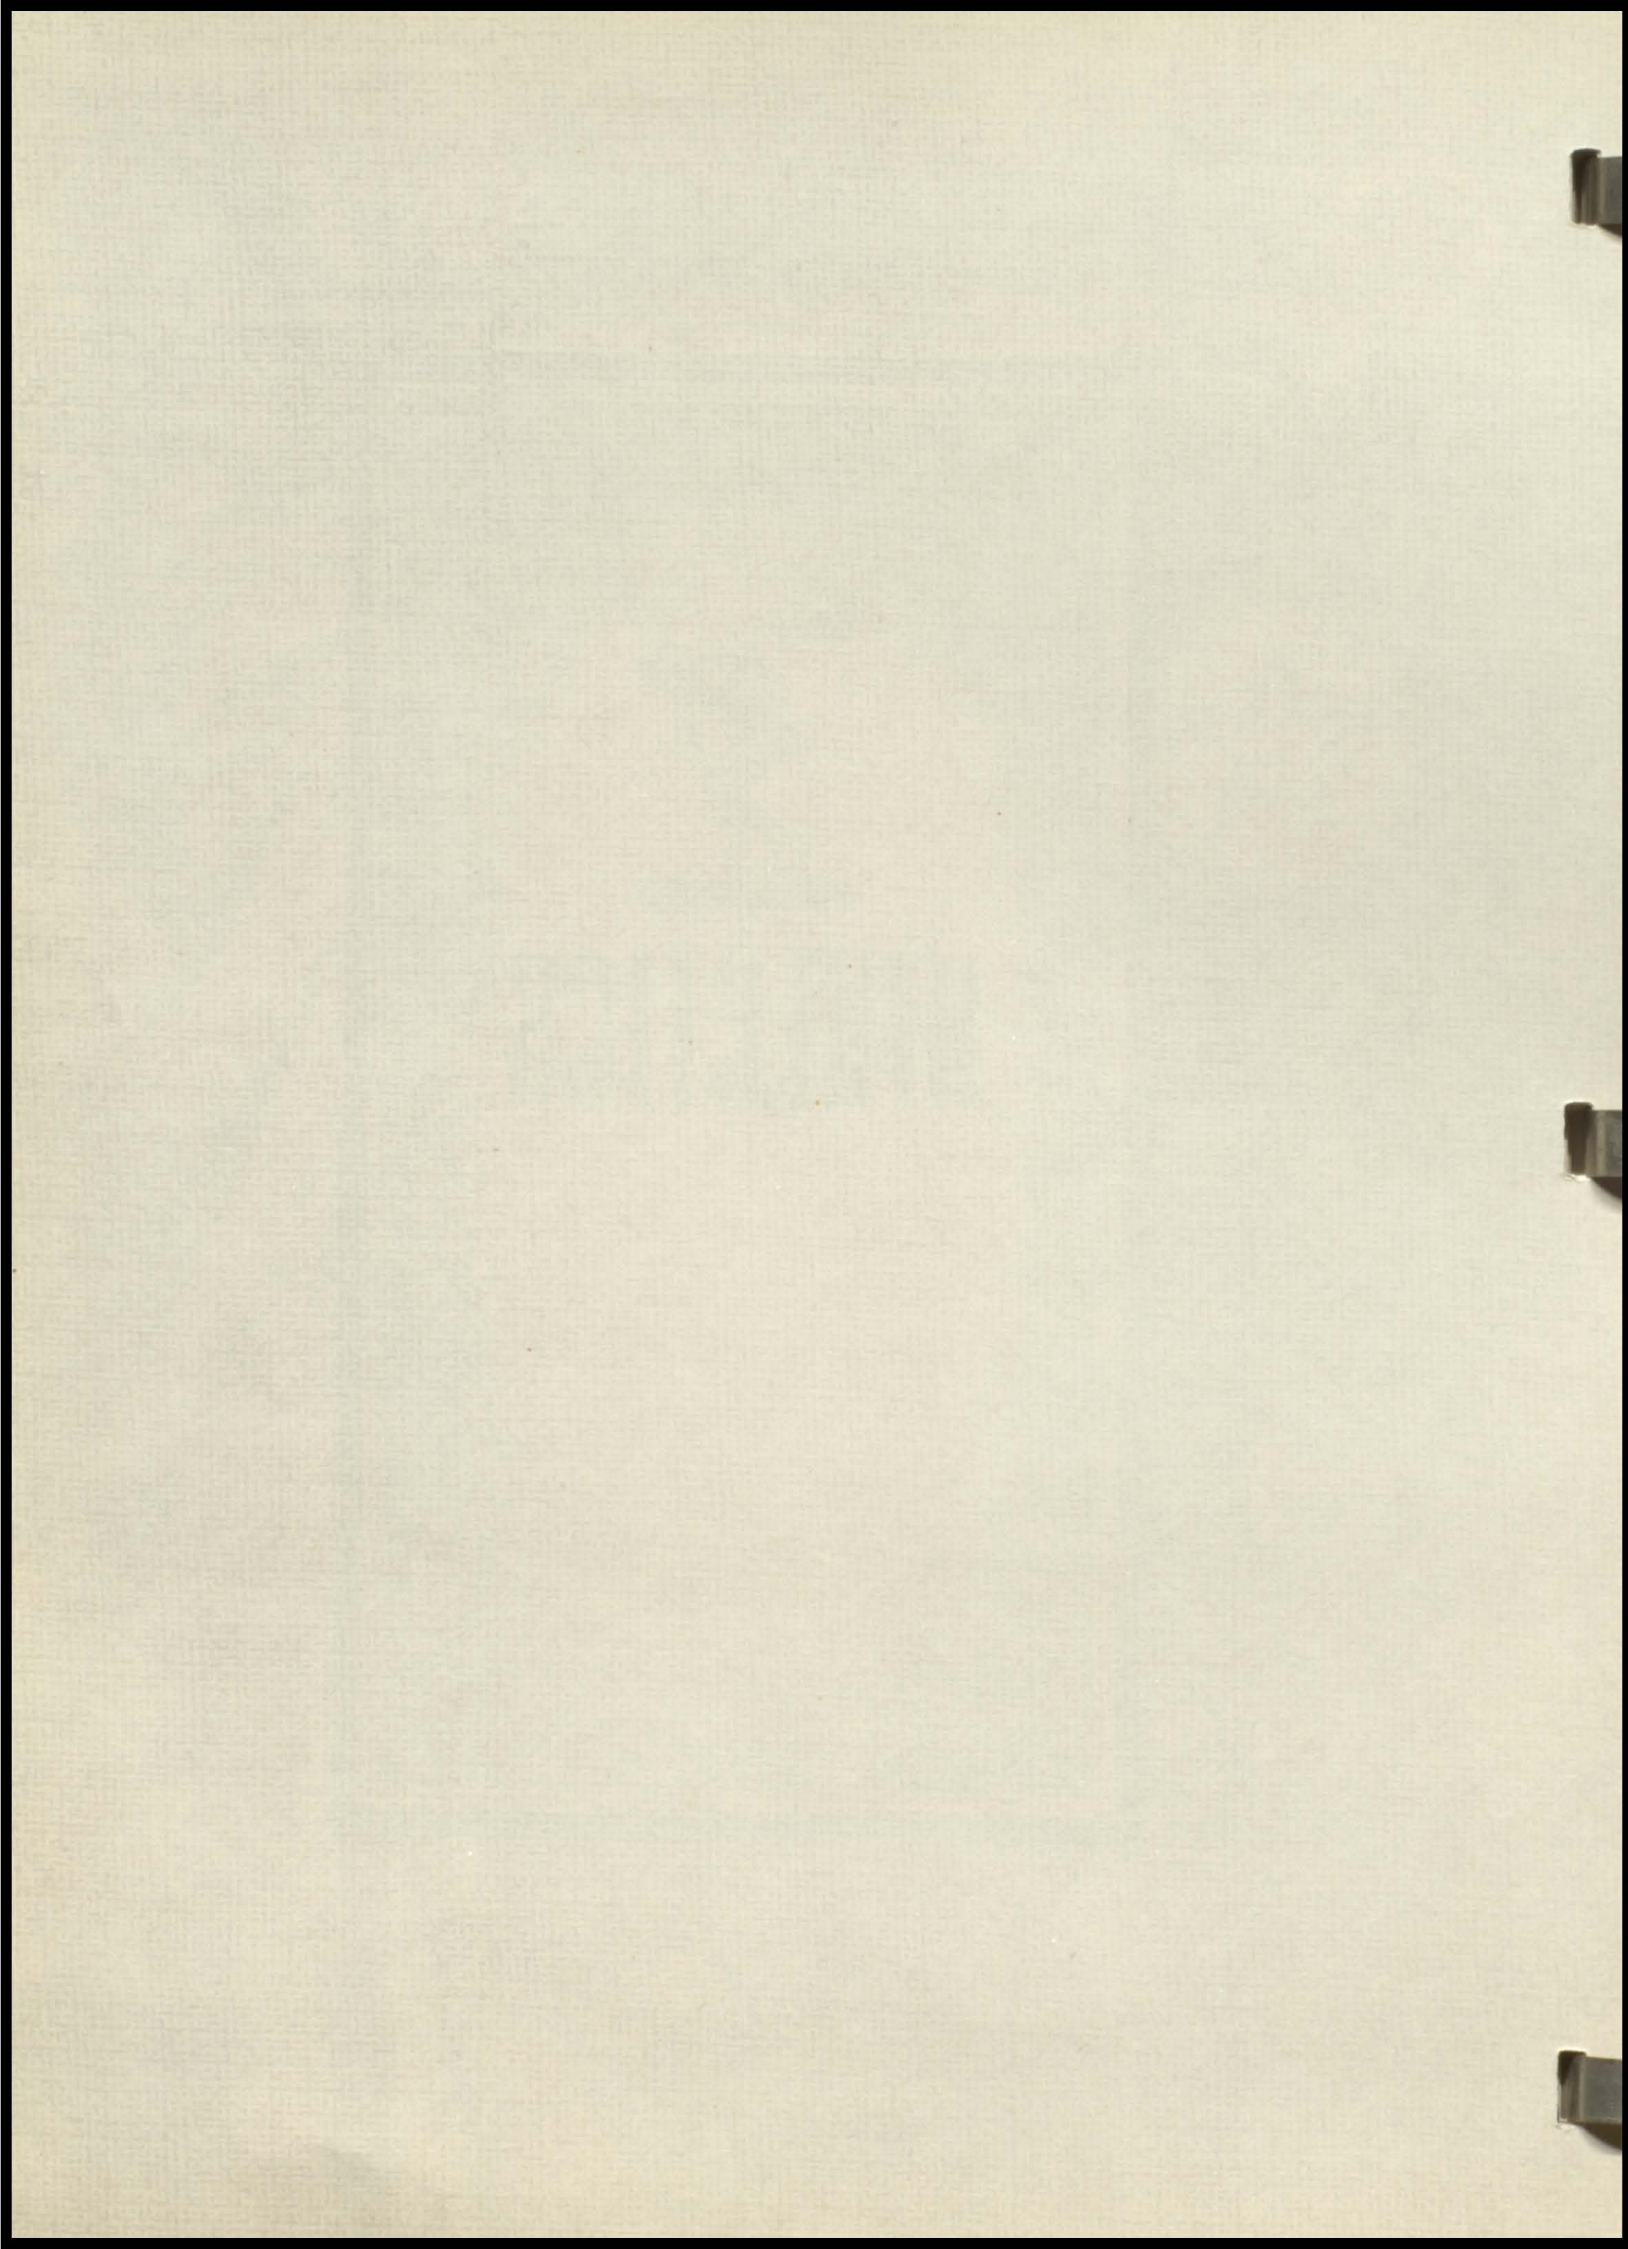

The total amount taken in was \$549.65 but after all expenses (\$224.02) were paid we had the net profit of \$325.63. From this amount as per agreement the remaining balance of \$177.44 on the Wilcox Gay Recorder-Radio-Phonograph was paid out of the Carnival profits. This leaves a balance of \$148.19 to be divided as follows:

Athletics	\$22.20	(15%)
Seniors	14.80	(10%)
Juniors	22.39	(15%)
Sophomores	11.10	(7½%)
Freshman	11.10	(7½%)
Grades	14.80	(10%)
Band	18.50	(12½%)
Music	14.80	(10%)
Home Making	14.80	(10%)
Declamation	3.70	(2½%)
	<hr/> \$148.19	<hr/> 100%)

# Basketball

Jefferson Blackhawks started out for a bouncing season of basketball on November 22 by downing Trinity by a decisive margin of 42-24. Alton journeyed to Jefferson to go home victorious, thus marking up the first loss to the Blackhawks. This game was listed as an exhibition game, with Alton using their '46-47 alumni team. The final score was 38-28.

Hurray! The Blackhawks won in an overtime game with Akron by a score of 38-36. The game showed a fine exhibition of courageous basketball on the part of Jefferson, as Akron led with a 25-11 at the half. Jefferson took South Sioux to a cleaning by a 48-31 victory for the fourth win of the season.

Someone say Elk Point was going to beat Jeff? Well, it was nice to think so, because the Blackhawks came home with a 55-26 score when the final whistle blew.

Blackhawks took a hard-fought battle from a surprising Westfield team by a 50-37 score.

Lo and Behold! Jefferson Hawks were blasted by Moorhead at the Morningside College Gym. As the Moorhead team was hitting a high percentage of its shots, they won with a score of 62-41.

Alumni bumped by Blackhawks in a rough hard-fought battle, the Blackhawks came through with a 1 point margin 30-29 to win.

Certainly fine basketball was played on the part of the Blackhawks as they played a tough, hard battle against Wakefield, Nebr. to come out victorious with a 40-37 decision. This was the only loss suffered by the Wakefield quintet who went on to win the Nebraska State "C" championship.

Kittens? The Blackhawks were far from being this, as they won over Gayville 38-21. This was our second conference win.

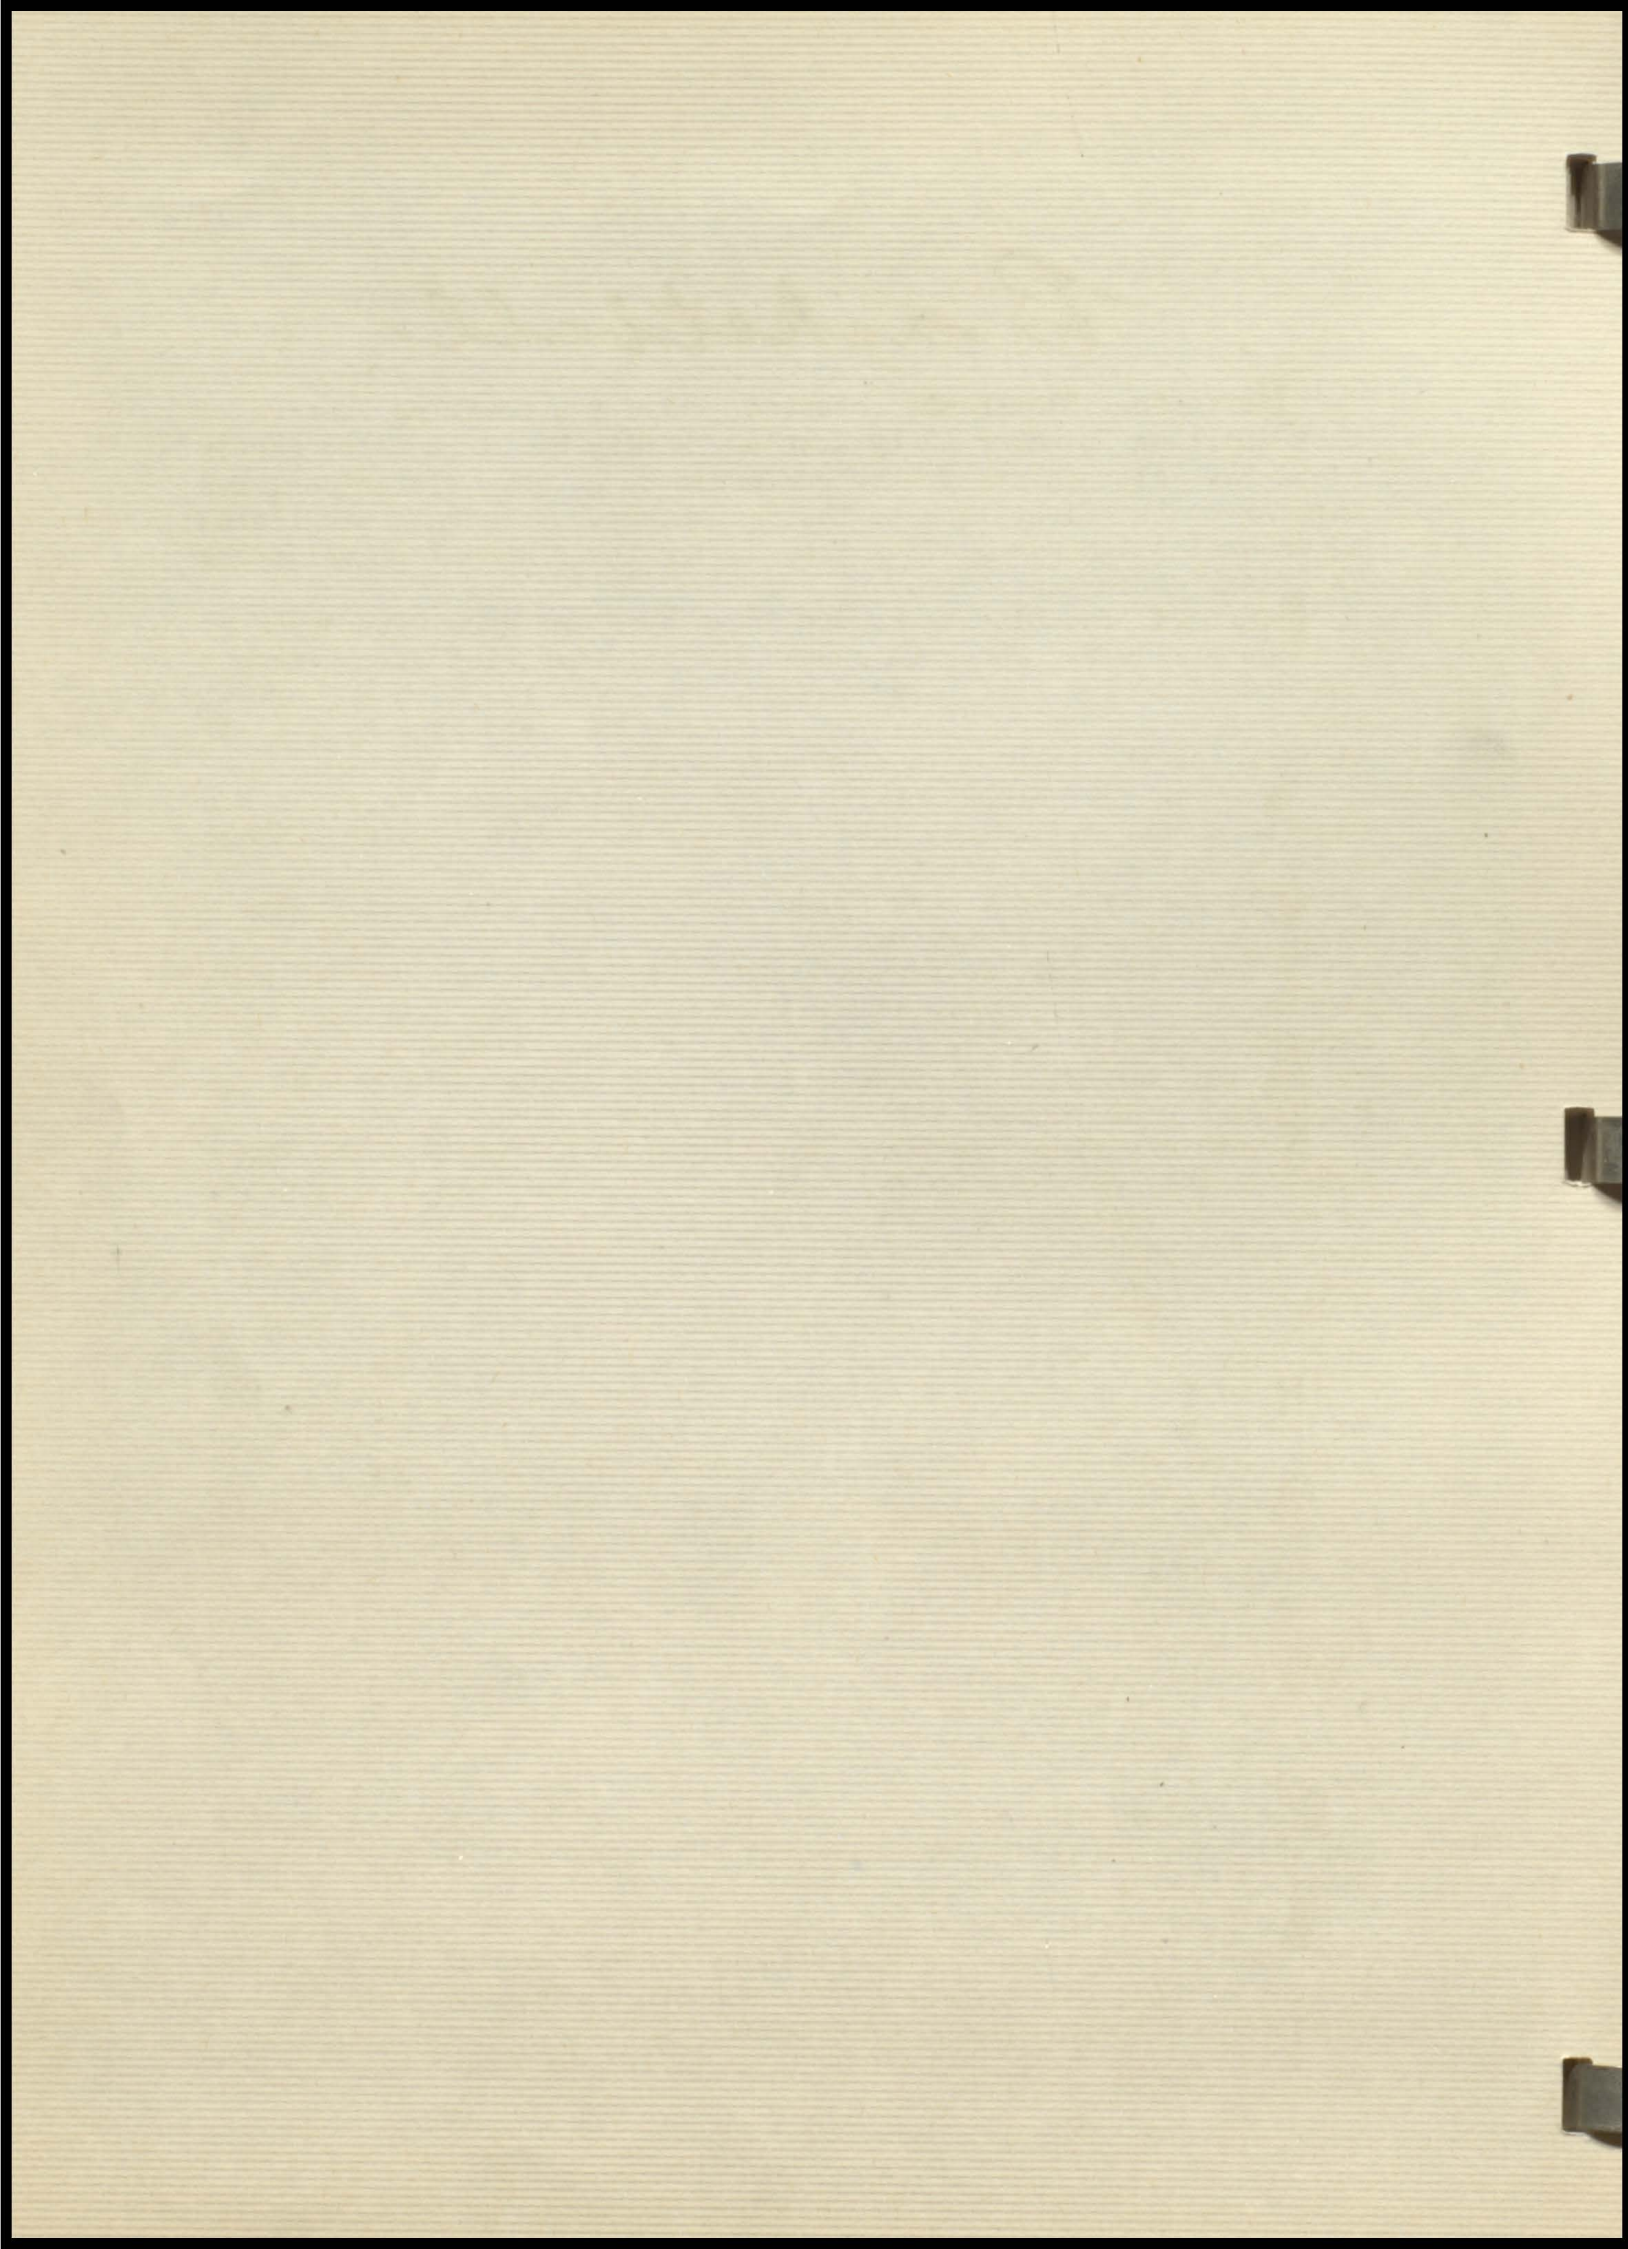

Hard fought game by a valiant Meckling standing squad as the entire Blackhawks lineup played for an easy win of 81-12. In the second game the Hawks won the fifth conference win 81-24.

Another win for Hawks as they downed Volin by a 41-28 score after being beaten by them previously in the Tri-County tournament by one point. The Blackhawks took another game from Westfield in a slow game in which the entire Jefferson squad participated. The finale came with Jefferson on top with a 44-11 decision.

Winning another game, a cool-headed and poised band of Hawks journeyed to Inwood, Iowa where they rang up a decisive 62-30 win. The hawks knocked off the Pointers for a second time with a 47-27 decision.

Keeping up with the Hawks we find that they took the favorite Danbury team and gave them the worst cleaning in three years by a score of 47-32.

So Long--With the season coming to an end the Hawks won the last game of the season over Volin by a 47-32 decision. With the winning of this game J.H.S. Hawks won the Conference Championship by virtue of their undefeated record.

Team work is the one most essential factor for a successful and winning team. The individual scorers on any team are made possible by the efficient passers who set up the scoring opportunities.

#### INDIVIDUAL SCORING

Players	Pts.	Fouls	Freethrows	Missed	Made	Ave.	Played

## *Girl's Victorious*

The girls softball team was composed of twenty girls this year. Due to the absence of an athletic director, the girls took it upon themselves to organized their own team. Only two scheduled games were played. Both were with the Meckling girls softball team.

One game was discontinued because of rainy weather. At the end of the third quarter the score was 7-4 in Jeffersons favor. Their second victory was won by a score of 20-15. This game proved to be both exciting and also a lot of fun. The trip was made there in a truck and a good time was had by all.

## *Boy's Undefeated*

The rollicking Jefferson ball club proudly boasts of an undefeated baseball and softball season. They had a total of twelve members and they played four scheduled games.

On September 12, 1947, the Blackhawks defeated Meckling with a final score of 12 to 3. The Blackhawks took an early lead and never once were they headed. Pitching for the Blackhawks was Dick Merrill while Meckling changed pitchers three times. The second softball game with Meckling was a nip and tuck all the way until the last inning, when the Blackhawks clinched their game by a 7-4 margin.

Due to the absence of a suitable baseball diamond, the Blackhawks journeyed to Westfield for their two baseball games. In the first hard ball game of the season, the Blackhawks took the lead in the first inning by raking up 8 points and kept this lead throughout the game. It ended with a 17 to 4 victory for the Blackhawks. Their second victory of the baseball season was snatched from Westfield in the last of the fourth inning. The strong Jefferson team proved too much for the fighting Westfield squad and came out on top with the final score of 5-4. Edwin Hebert was the winning pitcher for both games while Westfield was continually interchanging pitchers.

With the four preceding games the fall season of the Jefferson ball clubs ended. The chances for an outstanding team are very good for the spring ball season. The ball clubs will begin practice as soon as the diamond is in shape and the weather permits.

J.H.S. will be playing with their entire squad of last season, and may get some new players who enrolled at the semester. All in all the chances look very bright and promising for spring playing.

Charity Hospital  
Jefferson, South Dakota  
June 6, 1958

*Prophecy*

On this fine Spring day of 1958, we find the senior class of '48 working very hard toward their worldly goals. We find Dr. James Wesley Lundeen operating on a patient. He is working very feverishly. At his right we find Miss Jean Garvis assisting him. At his left we find Miss Florine Chicoine handing him delicate instruments. Waiting patiently outside the operating door we find Earle Fitzpatrick who is waiting to see if the patient will survive. (Earle is running his own undertaking parlor.)

We now go to the information bureau and find Miss Delores (Sis) Malloy who is a secretary. (Sis has a very good position on the boss's knee.) Down the hall we find Carl Graves and Sheldon Evjen as head janitors. These boys are having a tussle with a very nervous woman. They finally get her under control and Berniece Hacker meekly returning to the switchboard where she is employed.

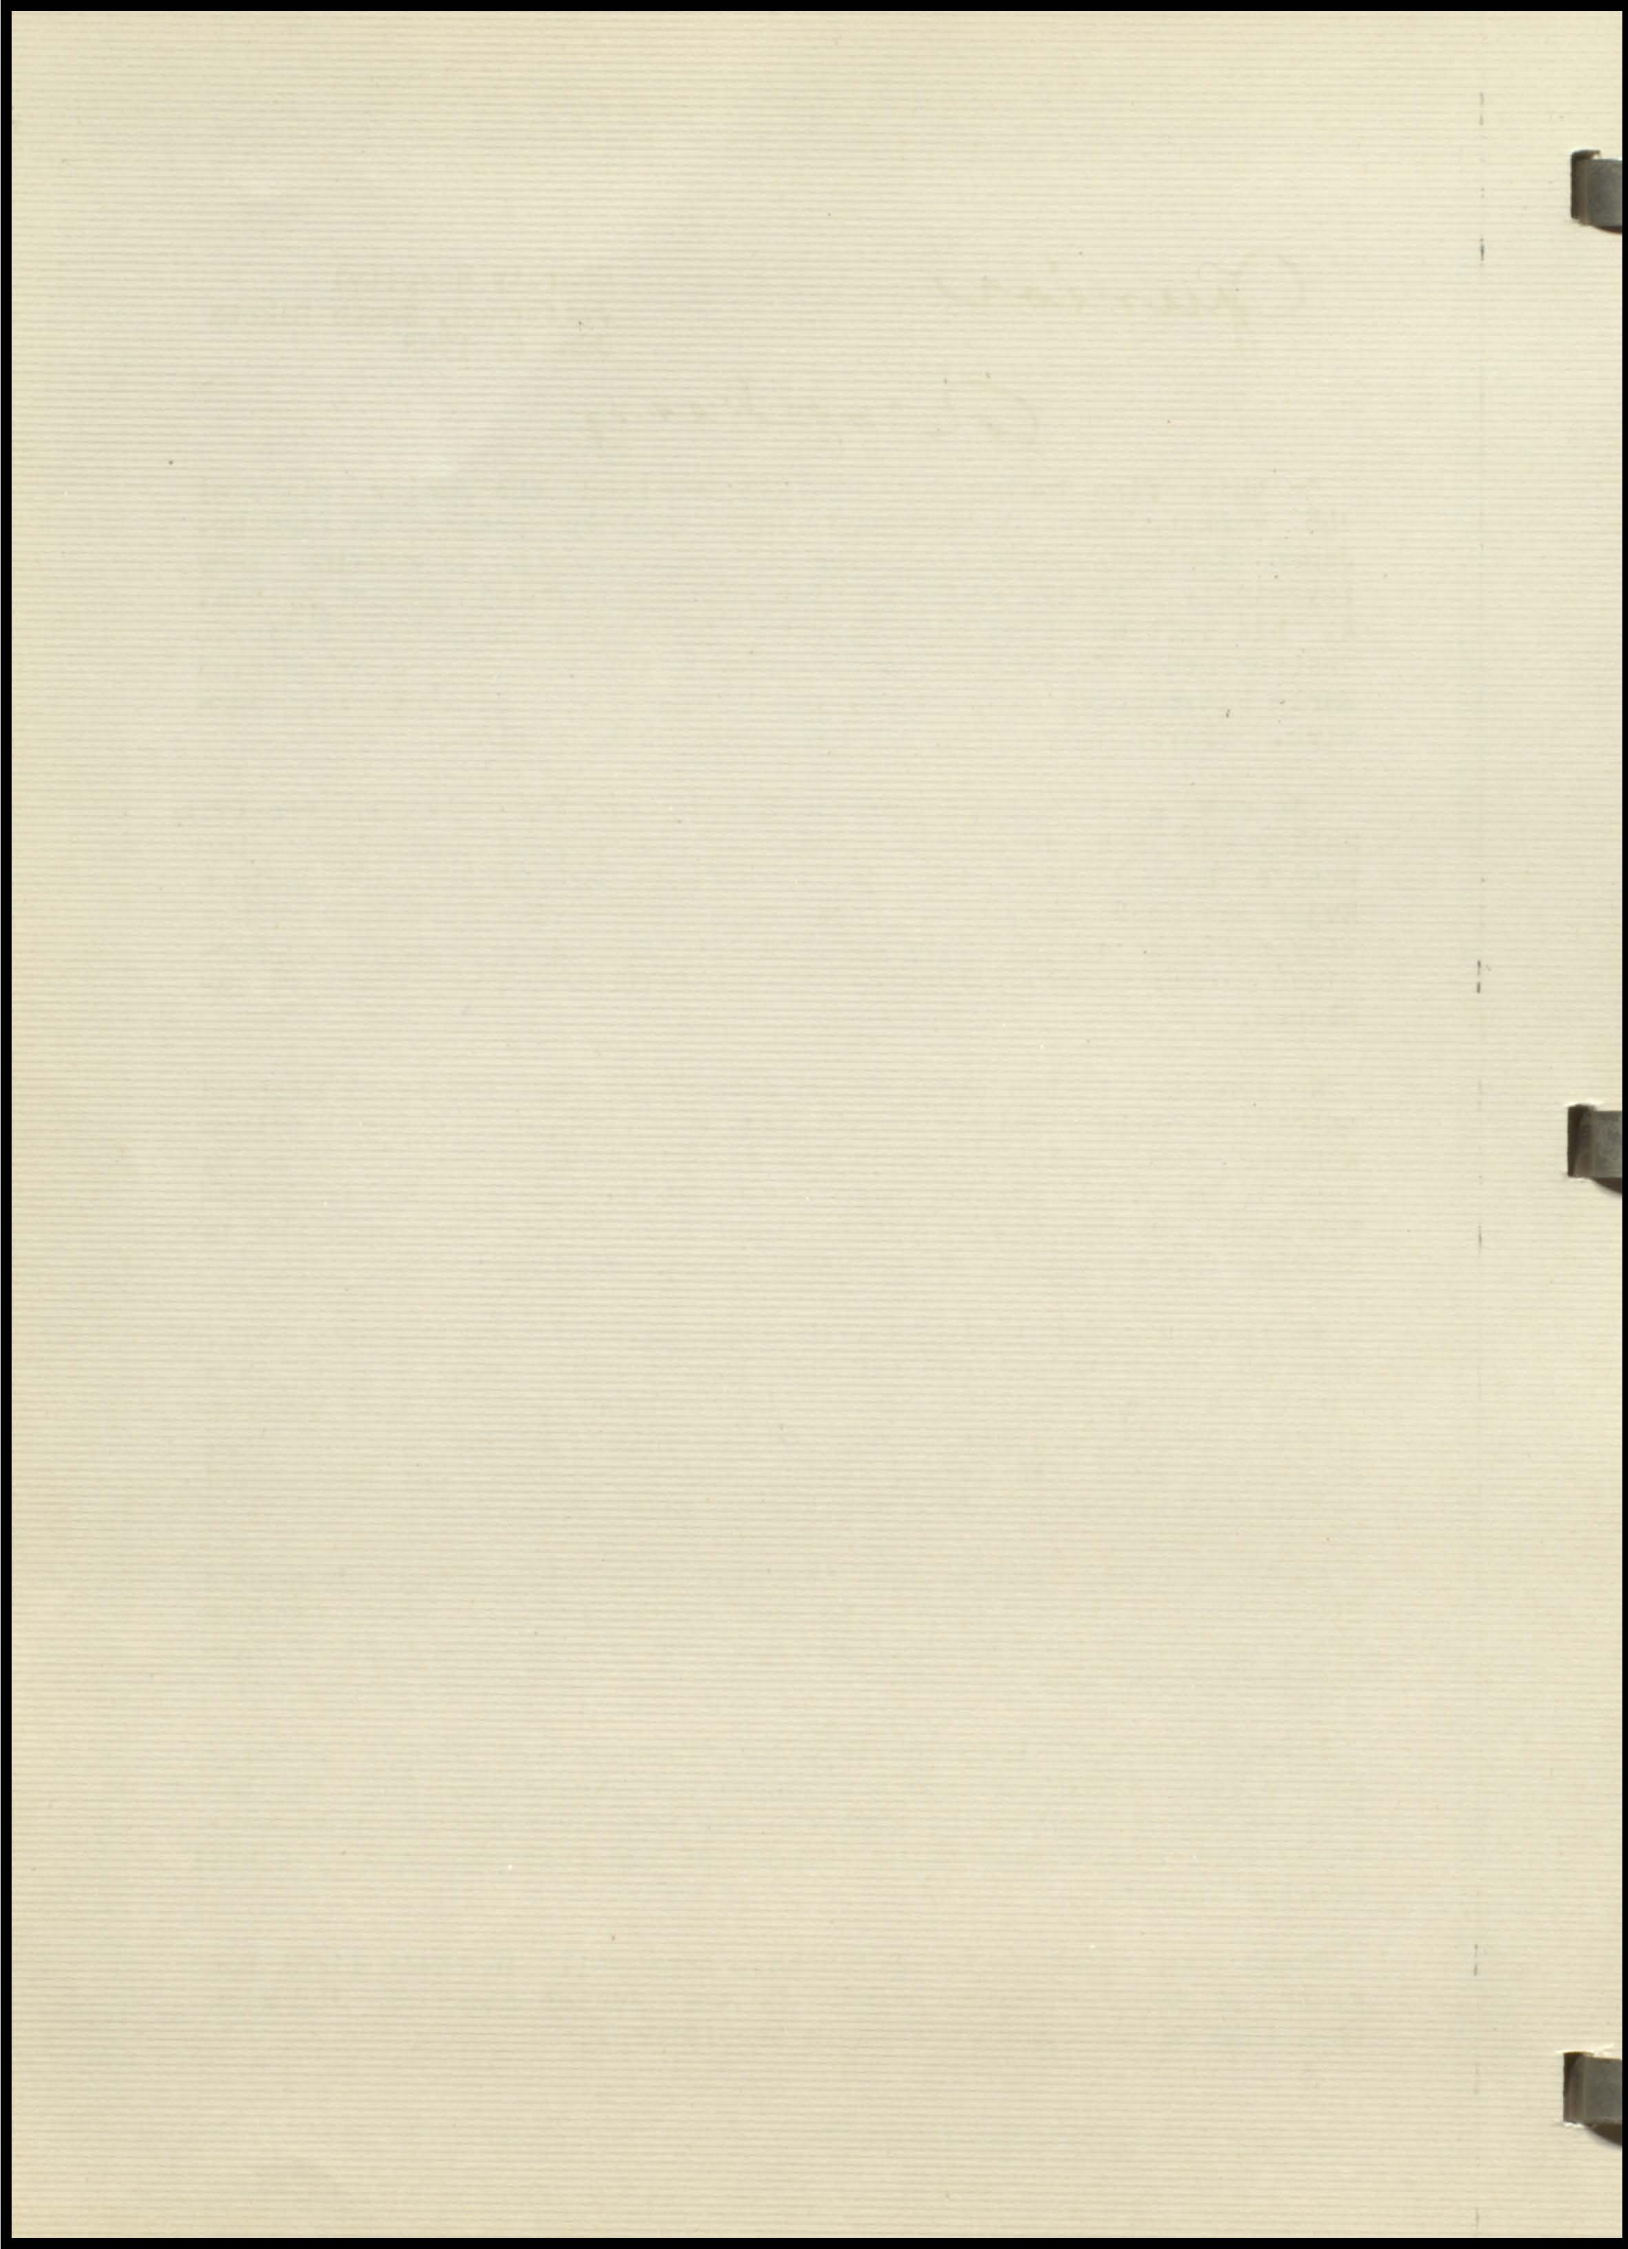

We venture to the stock room door where we find Frank Michaud unloading oxygen tanks. At his side we find Richard (Tex) Folsom working feverishly (Tex is now Frank's head driver.) Frank is head of "Michaud Truck Lines, Inc." At the elevator we find Martin Burke running the elevator. Martin is doing very well and is looking for a raise. (To an upper story---Going up??)

We leave the hospital and walk down the street to the city hall. Here we find the seniors of '48 "Lady's Aid" club. Seated in a circle are Mrs. William Beaver (Mary Wetmore), Mrs. Clyde Hoffman (Doris Bergstrom), Mrs. Russ LaFleur (Lois Landers), and Mrs. John Corio (Dona Williams). These ladies are very busy sewing and exchanging recipes on food and how to raise youngsters.

We leave these ladies and travel to the "Lewis and Montagne Stock Farm". (Kenneth Montagne and Robert Lewis). These two boys are progressing very rapidly and now have a very good herd of thoroughbred Gurnseys.

Passing through town we visit the "Bruneau Hat Shop". Shirley has a fine business and has hopes for expansion. She is also looking for a trustworthy girl who can take over the business----- Why? Just look on her third finger of her left hand and you will see the answer.

These seniors students of '48 have done well in their first ten years of worldly advancement. We the Junior class of '48 wish them lots of luck and success in the future.

# *Will*

We, the Senior Class of Jefferson High School, city of Jefferson, county of Union, state of South Dakota, realizing that the time of our departure is drawing closer at hand and being old enough to know better, yet possessing an unusually sound mind, beautiful memories, and irresistible judgment, do hereby make, publish, and declare this apparatus, to be jointly as well as individually our last will and testimony, hereby cancelling any and all wills, heretofore made by us.

FIRST: We appoint the junior class as actuaries, who will pay all funeral expenses after the liquidation of banquet debts. (Red roses preferred.)

SECOND: We will to the sophomores our timidity, docility, lack of self-confidence, our endurance to long assignments, and our utter oblivion to any confusion (Might do them some good!?!).

THIRD: To the freshmen we bequeath our exceptional ability to get the teachers in a stew (for one reason or another)!

FOURTH: We leave our eagerness to co-operate with the faculty.?

FIFTH and lastly we leave such individual traits as we see befitting:

Dona: Her ability to type to Marvin, and her dependability to everyone.

Berniece: The telephone of ice to LouAnn and her fast walk to Gerry B. (so she could leave her bike home!)

Bob: His riders to Jim W. and the ability to run the Mimeograph machine to Vernon.

Doris: Her hair to Kathleen and her purse to Leatta.

Jean: Her ability to get to school on time to William and her giggle to Charlene.

Sheldon: "Modern" A to Larry so he can get to school on time, and his height to Douglas which he can use on the basketball floor.

Jim: His slim waste (?) line to Mr. House and his intelligence to Don Landers.

Shirley: Her dancing ability to Jolene, and her temper to Mr. Michaelson.

Lois: Her love to Rusty and her enthusiasm to the Junior Class.

Mary: Her height to Nancy and her ability to get along with the Beavers to Bernie Ray.

Delores: Her pep to David and her gum-popping ability to all.

Carl: His size to Freeman, and his neatness to all the fellows.

Fitz: His love (not saying what kind), for books to Orville S. and his legs to Theresa A.

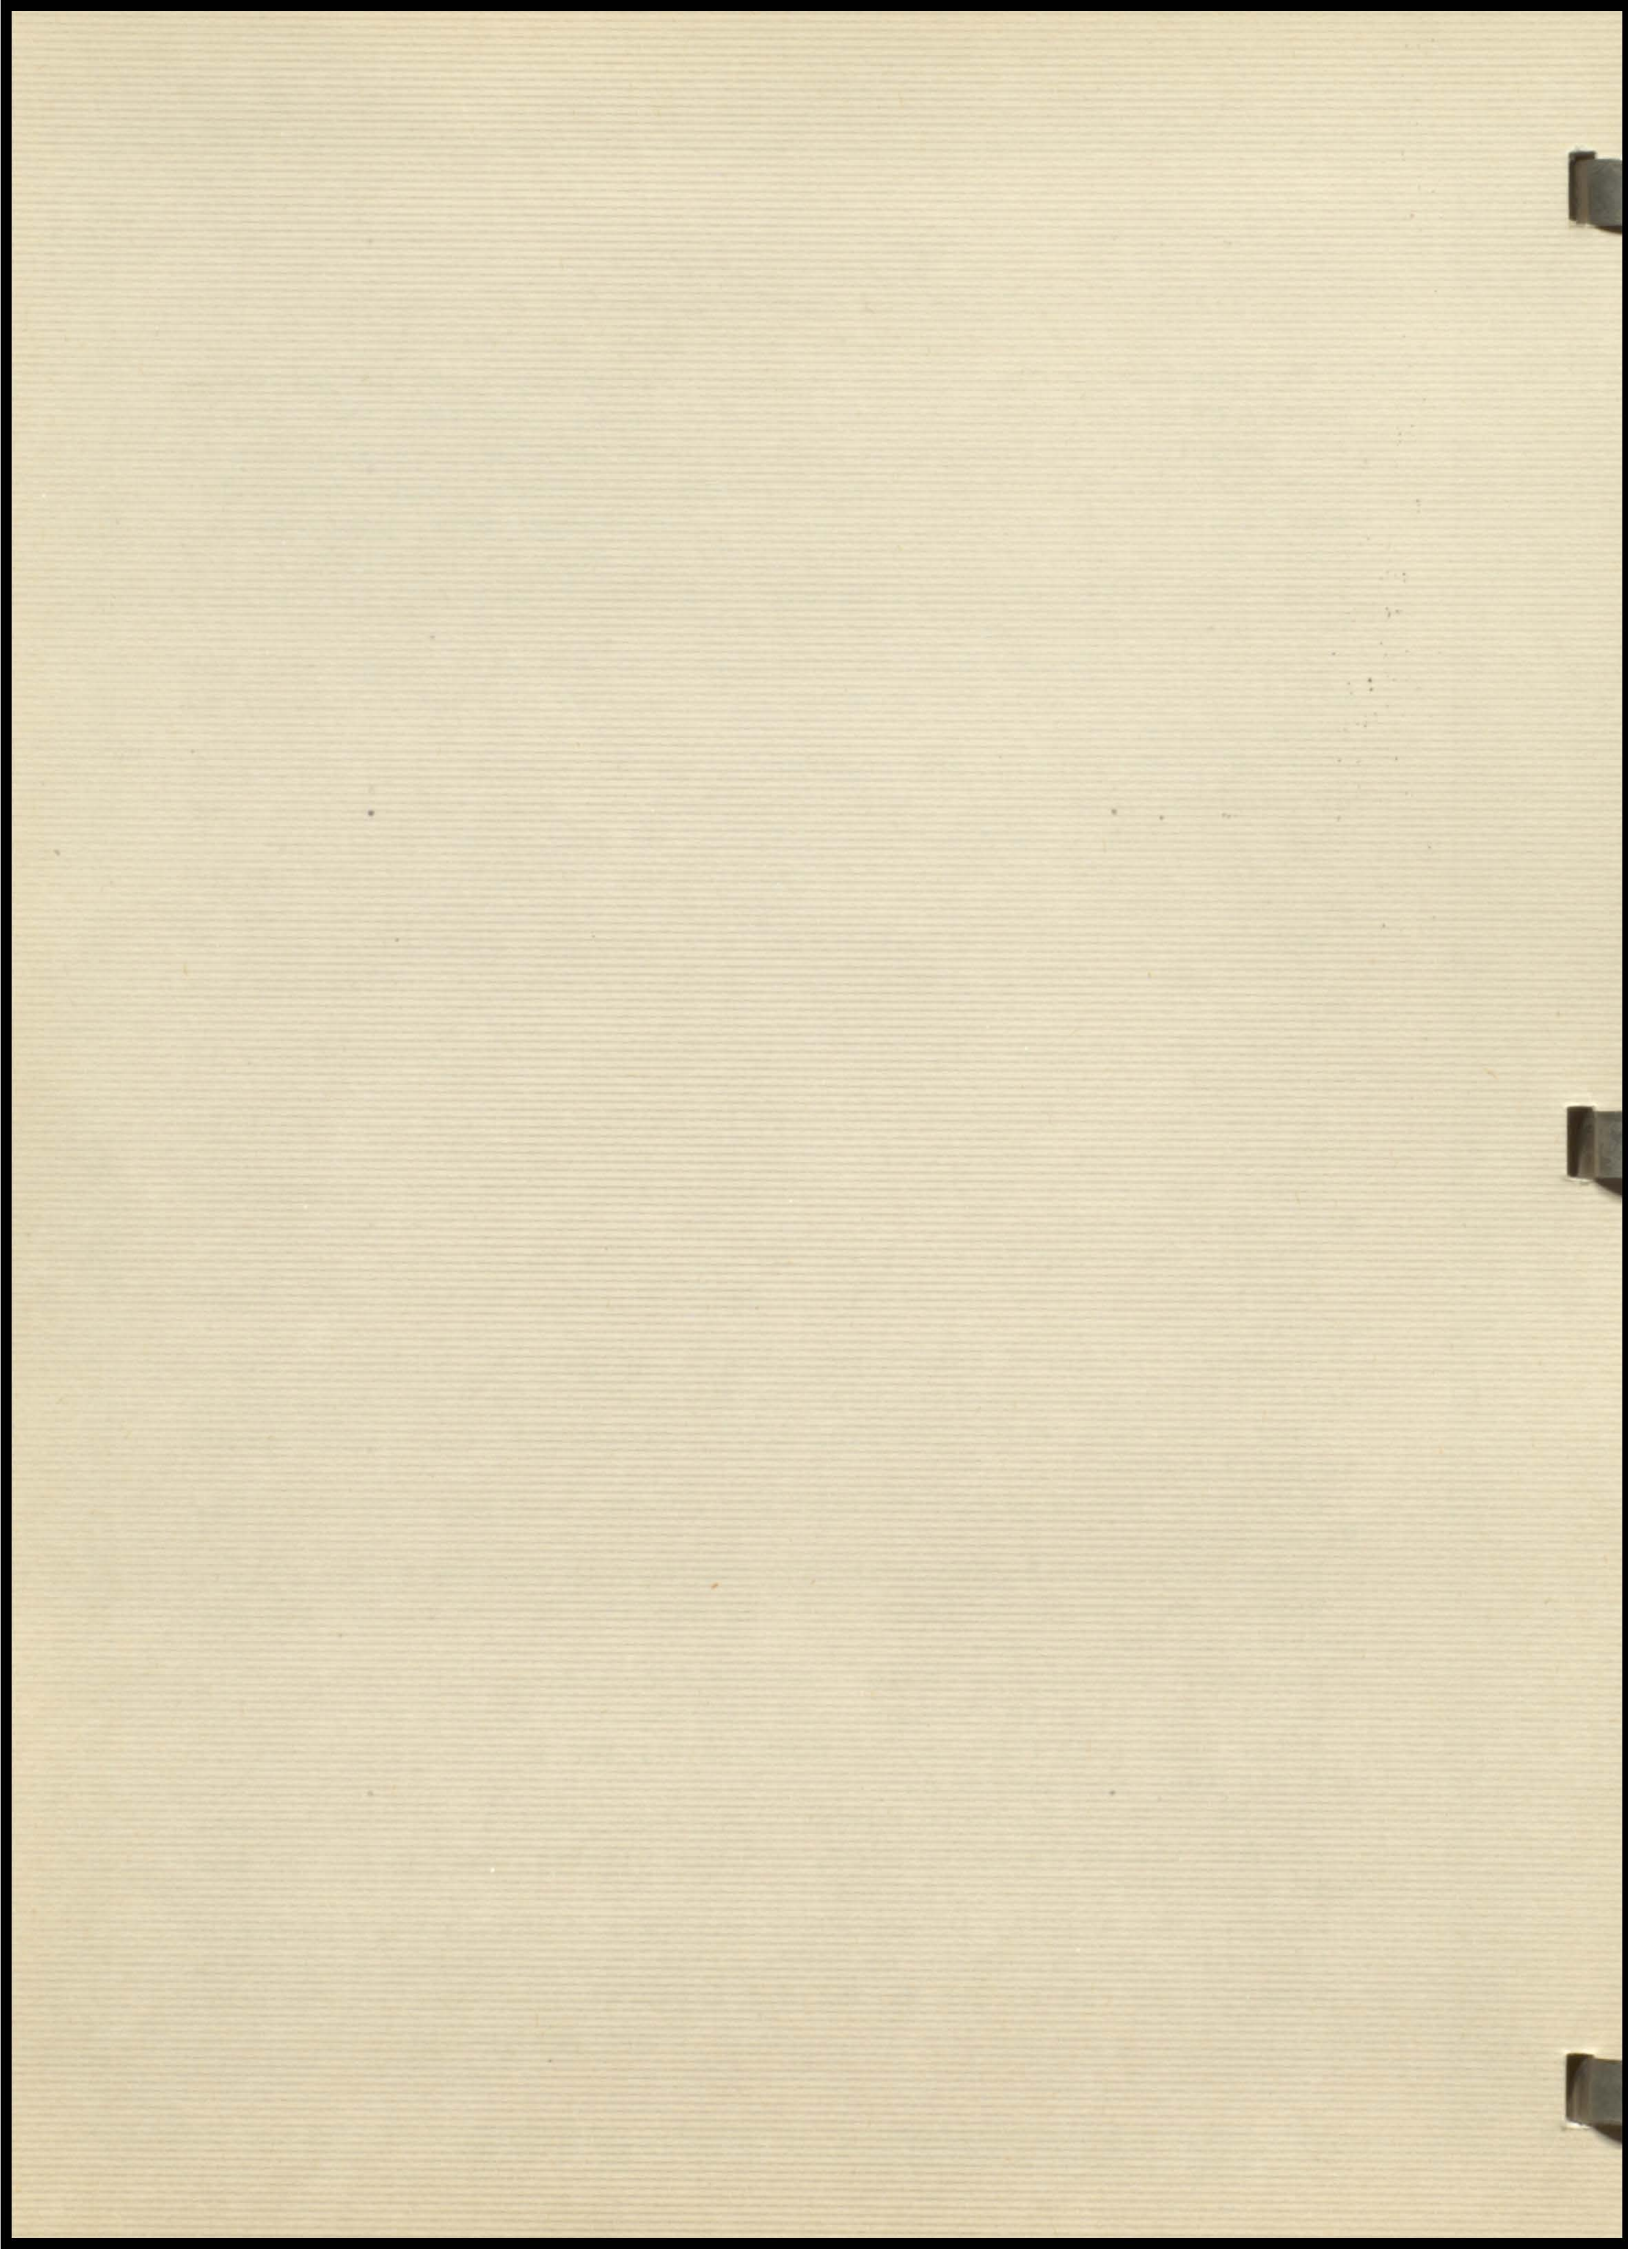

Florine: Her giggle to Edwin H. and her intelligence to anyone.

Frank: His whiskers to Dick, and his cow-bell to Don L. for the next years District Tournament.

Marty: His ability to get along with Elk Point (girls) to Don L.

Richard: His quietness to Gerry Allard and his guitar to Juanita.

Kenny: His car to Don M. and his interest in school to everyone.
